| May 26 | RCES 6 th grade Moving On and End of Year Awards Program. |

Many thanks to our awesome Spring Fling committee and PTO executive council for putting together such a great family event. Our families were blessed by the experience.

Congratulations to our awesome elementary track team! After a thorough look at the results RCES came in 2nd overall in the meet. Way to soar Eagles!

Registration is now \$200 per child. Families already in FACTS will roll over as they did last year. If there is a change, call Ms. Bobbie at 762-3353. Catholic families must have their Pastor’s signature on the form when submitting registration. Recruit a new family and get a \$300 tuition credit when they complete their enrollment.

Please check your balances and keep your accounts up to date. The school term is winding down quickly. Help eliminate unnecessary end of year hassles!

RCS Sports

Congratulations to our Tennis team for their efforts at State. Well done Eagles!
