Pledge of Academic Integrity

“Integrity is not a conditional word.

It doesn’t blow in the wind or change with the weather.”

~John D. MacDonald

***Academic integrity* includes a commitment to not engage in or tolerate acts of falsification, misrepresentation, or deception.** Such acts of dishonesty include cheating or copying, plagiarizing, submitting another person’s work as one's own, using Internet sources without citation, fabricating data or citations, stealing examinations, tampering with the academic work of another student, facilitating other students' acts of academic dishonesty. Consulting outside sources for an assigned reading without explicit permission is also considered cheating.

***Plagiarizing* includes, but is not limited to presenting as one’s own the works or opinions of someone else without proper acknowledgement.** Some examples are: taking a paper, in whole or in part from a site on the Web or from already-written papers; having others write a paper for you; submitting material written/designed by someone else without giving proper credit; changing the source’s words only slightly and not giving credit to the source; and paraphrasing someone else’s ideas without giving credit to the source. (*Integrity Contract adapted from the Duke University Undergraduate Honor Code.*)

“May integrity and uprightness preserve me . . .” –*Psalm 25: 21*

“For the upright will inhabit the land, and those with integrity will remain in it.” – *Proverbs 2: 21*

ATTENTION PARENTS, STUDENTS, AND OTHER INTERESTED PARTIES

This handbook is designed to be a synopsis of the policies and procedures of Resurrection Catholic School. In developing the enclosed rules and policies, school personnel have tried to be as explicit as possible, but this handbook is not intended to be all inclusive.

The school is governed by general policies applicable to all schools within the Catholic Diocese of Biloxi as well as local school advisory council policies. These policies form an integral part of the agreement the school has entered into with parents to educate their children. Should you be interested in reviewing them, all general and local policies are available in the school office.

It is expected that the handbook, local policies, and general policies are consistent. However, at times due to human error and/or amendments to various parts, conflicts could arise. **To the extent that a conflict arises, general diocesan policies will take precedence, followed by local school advisory council policies and finally policies enumerated in this handbook.**

In addition, during the school year, new and unusual situations will arise. Since this handbook cannot provide for every possible situation, the principals will have the authority to use discretion in unforeseen circumstances.

The Handbook for Pastors, Principals, and School Advisory Councils dated August 2008, delegates the roles of Pastors, Principals, School Advisory Councils, and Parent/Teacher Organizations.

By enrolling their son or daughter in RCS, parents or guardians agree to abide by and cooperate with the policies, procedures, and processes contained in the policies of the Catholic Diocese of Biloxi, those in this handbook, local school advisory council policies, and other written communications from the school's administration.

All decisions of the principals are final and appeals to the Diocesan School Advisory Council are for cases of expulsion only. No appeals of principals' decisions can be made to local School Advisory Councils.

*This Handbook was addressed in Advisory Council meetings and approved by the Council in May 2017,
Michael Spencer, RCS Advisory Council President.*

School Motto

Be it known to all who enter here that Jesus is the reason for this school.
 He is the unseen ever-present teacher in all its classes.
 He is the model of its faculty and the inspiration of its students.

Virtues on the School Badge

Truth, Honor, Integrity

*Faith in Action
 Excellence in Education*

Statement of Policy

Resurrection Catholic School, in accordance with Title VI of the Civil Rights Act of 1962, Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitations Act of 1973, continues in policy that no one shall on the grounds of race, color, national origin, sex or handicap be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity of the school

School Governance

The existence and roles of all parties involved in Catholic schools are governed by canon law, the law of the Catholic Church.

The Resurrection Catholic School Advisory Council provides a support mechanism to assist the principal in creating school policy. The School Advisory council makes recommendations to the principal and pastors regarding policy.

In its meetings, the Advisory Council does not address disciplinary issues, personnel issues, implementation of policy or any matters that involve the daily operation of the school.

In the event that a problem arises, parents are encouraged to follow the chain of command by discussing any problem first with the teacher or person involved. If the issue is still unresolved, they should meet with a school administrator. **The decision of the school principal is final.** In the case of expulsion, an appeal may be made to the Superintendent of Schools or the Diocesan Advisory Council.

Anyone wishing to address a Council meeting shall submit their request in writing to the Advisory President not less than 10 days prior to the scheduled meeting. The Council meets at Resurrection Middle/High School at 6:00 PM on the third Monday of each month. For more information on the role, responsibilities, and procedures of the Advisory Council, refer to *Governances 17-26 of The Handbook of Catholic School Policy of the Diocese of Biloxi*, 2011, which is located and available for review in each principal's office.

History of Resurrection Catholic School

The history of Resurrection Catholic School dates back to October 6, 1882, when five Sisters of Perpetual Adoration arrived in Pascagoula to establish a convent and conduct a school. The Sisters began teaching in the school called the Academy of the Guardian Angels. Immediately, the initial enrollment was 47 students. Since that date, there has been continuous Catholic education for the people on the same site.

Five years later, in 1888, the Catholic population of Pascagoula had grown to 1,000 people, comprising 30% of the area's total population. Enrollment in the school had also grown to 150 students. The first commencement exercises were held in 1889, with three students graduating.

In 1932, the Sisters of Perpetual Adoration officially changed the name of their religious order to the Sisters of the Most Holy Sacrament (MHS) and celebrated the Golden Jubilee of their order. In 1937, Our Lady of Victories (as the school was now called) received certification by the State of Mississippi. A new school building was erected in 1947; the gymnasium/auditorium was added in 1956. In 1959, a new

grammar school was erected. In 1964, Sacred Heart Elementary School was dedicated and opened with a large enrollment. In 1967, the high school became inter-parochial with all area parishes assuming responsibility for its direction.

In 1974, due to declining numbers, the Most Holy Sacrament Sisters relinquished leadership of the school; the Sisters formally withdrew in 1988, the same year that Bishop Howze announced the merger of OLV Central High School, OLV Elementary, and Sacred Heart Elementary School into one school system – Resurrection Catholic School.

Throughout its more than one hundred years, service to the community has been a goal of the school. The achievement of this goal was recognized in 1976 by Governor Cliff Finch and Senator Trent Lott. Governor Finch stated, “For 94 years this institution has served as a beacon of hope and light by offering superior instruction not only in the skills of learning but also in solid Christian ethics.” Senator Trent Lott remarked, “Since coming into Jackson County, Mississippi, in 1882, the Catholic schools have contributed substantially to the education and ethical development of the community.”

The latest major change to Resurrection Catholic School came in August of 2005 after Hurricane Katrina heavily damaged the area and, in particular, St. Peter’s Elementary School, which was completely destroyed. Following the directive of Bishop Rodi, the largely African American population of St. Peter’s was merged with Resurrection Elementary School and permanently became part of the Resurrection School system.

Financial Policies

Although every Catholic school, including Resurrection Catholic School, exists to serve all Catholic students who wish to attend, it is also imperative for the school to show fiscal responsibility and financial solvency in order to guarantee its continued existence.

The responsibility of financial obligations incurred by students as a result of their attending Resurrection Catholic School rests with the parents or legal guardians of the students. A \$15 fee is charged for each NSF check returned to any school account. After two returned checks, only cash or money orders will be accepted. Families who are delinquent in tuition will receive a warning letter. Further delinquency may require an appearance before the Advisory Council and collection proceedings may occur.

FACTS Tuition Management

FACTS Tuition Management Service is processing all tuition arrangements and payments for RCS this year. **Tuition must be paid in full at or before Confirmation of Registration in July.** Any other arrangements must be made through FACTS and approved by the principal. Families seeking one of the few Work Study Agreements must interview with the principals **before Confirmation of Registration in July** and must complete the Needs Based Assistance application form through FACTS.

Catholic Families must have their registration form signed by their priest in order to receive the “B” Rate. This must be done in order to pre-register. If you seek assistance through the parish, you must contact your pastor BEFORE MARCH 1st.

Fundraisers that contribute to our general operating budget include the Drawdown, the Christmas Greenery sale, The Carnival Ball, Lenten Fish Fries, and Spring Fling. PTO Fundraisers support the many projects they finance in whole or in part include the Uniform Shop, Specialty Item Sales and a Cookie Dough or Pizza Kit campaign. Most sports teams offer spirit items and concessions to support their team budgets. Clubs and organizations have occasional events to raise funds for their groups.

All fundraising requests must be approved by the school administration prior to the event and all funds must be deposited into Resurrection Catholic School accounts. NO SEPARATE BANK ACCOUNTS WILL BE SET UP IN THE SCHOOL'S NAME FOR ANY SCHOOL ACTIVITY INCLUDING SPORTS BOOSTERS, CLUBS, ETC. All money raised in the name of or on behalf of the school will be handled through the bookkeeping offices.

ELEMENTARY SCHOOL CAMPUS

Policies and Information

Resurrection Catholic Elementary School

School Day: Begins: 7:55 a.m. / Ends: 2:40 p.m.

Expectations

RCES provides rules and guidelines that will ensure an optimal learning environment for our students. Our students and their families commit to complying with our standards, rules and policies when they register. Working together we can ensure a Win-Win experience for everyone. Our staff is committed to work with all our students and families toward learning and growing as God intends.

General Rules

Each student at Resurrection Catholic School shares the responsibility for creating and supporting a positive school climate that is conducive to teaching and learning.

Student Conduct and Discipline Plan

“Train up a child in the way he should go; and when he is old he will not depart from it”.

Proverbs 22:6

Our students are expected to behave in a manner consistent with their status as a student of Resurrection Catholic School. Student conduct must contribute to meeting the personal and academic needs of the student as well as those of his/her classmates, and supporting the good name, reputation and integrity of our school. Discipline is the process of training, teaching, and correcting students in order to help them accept responsibility for their own actions. Please know that Christ-like character is modeled by our faculty and staff on a daily basis. However, attending a Catholic school does not take the place of the parents in training of the child. A parent, after all, is a child’s first and most important teacher and role model. We are confident that when the parent and school work together, it will only mean success for the child!

There are six basic convictions that our school attempts to instill in students:

♣ Respect for God

We are a Catholic school, therefore we firmly believe that if you put God first, all other things will fall into place. Students should strive to always show the utmost respect for God in all they think, do, and say. Students are expected to behave reverently at in all religious aspects of our school day: including but not limited to mass, during prayers in class, and during Religion class.

♣ *Respect for Authority*

Respect for God leads to respect for authority. Students should always strive to show respect for their teachers and all adults in authority.

♣ *Respect for Others*

Jesus taught us that we should love others as we love ourselves. Students should act in a manner that encourages and strengthens their neighbor not that hurts or degrades them. Kindness, honesty, and trustworthiness are virtues that demonstrate respect for others, and these virtues are consistently encouraged at our school.

♣ *Respect for Self*

God created each of us in a different way. We are all special. If we respect ourselves, we use our unique gifts and talents to be a blessing to others. Self-respect also includes making sure we are in proper uniform each day and looking our best in order to be good representatives of our school.

♣ *Respect for Property*

Students should demonstrate respect for all property, whether it be their own belongings or those of another. Students who steal, vandalize or destroy school, teacher, or other student's property will be promptly disciplined.

♣ *Respect for School Rules*

Rules are necessary in order to have a peaceful, cooperative and enjoyable learning experience. Disrespect for school rules disturbs the learning environment, and disciplinary action will be taken for those who choose to continually break the rules.

General School-Wide Expectations:

- Come to school on time and be prepared to learn, bringing all materials necessary.
- Remain quiet during direct instruction, pay attention, and be recognized to speak.
- Participate in class discussions and activities.
- Behave in a manner that does not disrupt the other students or the teacher.
- Be respectful to all adults.
- Be respectful to classmates.
- Make quiet transitions in the hallways and walkways so as not to disturb other classes.
- Use manners in the cafeteria and clean up after yourself.
- Obey teacher's playground rules.
- Always do your best!

Pre-School Discipline

Conscious Discipline is implemented in the toddler classroom. Conscious Discipline emphasizes and praises positive behavior, by using positive and encouraging statements. The teacher will assist the child in talking things out, teaching the child ways to handle different situations. The teacher will model different and positive ways to behave. The teacher will work on redirecting children to more appropriate behaviors throughout the day. The goal is to help children use their own words and solutions to solve conflicts and assist them to make good positive choices. Occasionally, the teacher may use a supervised “safe place” for misbehavior that persistently occurs. The safe place is an extension of Conscious Discipline. The safe place is a chair or a cushion that the child will be asked to sit on to calm down. This gives the child time to think about his/her actions. The safe place chair or cushion will have books, stress balls, and other items to soothe the child. The safe place will have Conscious Discipline icons (S.T.A.R., balloon, pretzel, drain), which remind the child how to calm down. The length of time to sit at the safe place is one minute for each year of age or until the child has calmed down and is ready to return to classroom activities. Should a problem be consistent or more severe (scratching children and breaking the skin or other physical behaviors) parents will be contacted for a conference. The parents, administrator, and teacher will sit and work on ways to correct the behavior in a positive way. Should the behavior continue or become worse the Administrator may have to take other actions, not limiting to asking the child to be removed from the program. Preschoolers have a tendency to throw tantrums when they are not allowed their way. Should a toddler throw a tantrum that exceeds two minutes, the preschooler will be removed from the classroom and walked to the office. The teacher will go to an open room in the office and sit with the child until the tantrum is over.

Discipline Policy

Each teacher has established a set of classroom rules and consequences. If these rules and consequences are repetitively disregarded by a student, the student will be referred to the Principal and placed on the discipline ladder. Any misbehavior listed under the offenses that require disciplinary action will be placed on the appropriate step on the discipline ladder. The consequences for each action are clearly listed. We realize the broad differences in ages and the responsibilities of each. Based on previously listed expectations, we have provided a list of possible offenses and their consequences for Prek-1st grade students, as well as an additional set of possible offenses and consequences for 2nd-6th grade students. However, students in all grade levels must follow the rules of the school and failure to do so can result in expulsion.

****AUTOMATIC OFFICE REFERRAL***

Any repeat offense will result in a student being placed on a higher step on the discipline ladder.

Consequences

Step 1: Contact parent and student conference with Administrator. Discipline Referral will be sent home by the Administrator and should be signed by the parent and returned the following day. 4th-6th grade- 1 demerit

Step 2: Conference with teacher, parent, administrator, and/or counselor. After school detention for students in grades 4th-6th. A Discipline Referral will be sent home by the Administrator should be signed by the parent and returned the following day. 4th -6th grade- 2 demerits

Step 3: Conference with teacher, parent, administrator, and/or counselor. A Discipline Referral will be sent home by the Administrator and should be signed by the parent and returned the following day. 4th -6th grades students may be given out of school Suspension (1-2 days as determined by administration). 4th - 6th grade- 3 demerits

Step 4: Conference with teacher, parent, administrator, and/or counselor. Step 5: Conference with teacher, parent, administrator, discipline committee and/or counselor to determine if a student's actions warrant expulsion.

Merit/Demerit System Grades 4th-6th :

Grades 4-6 will use the merit/demerit system to monitor student behavior. Children must learn that their actions have consequences. This is an important lesson they must learn in order to one day become responsible adults. A student who accumulates two (2) demerits in one day may be asked to walk at recess or lose privileges at other times deemed appropriate by teacher/administrator. When a student accumulates between five (5) to seven (7) demerits during any one school week, the teacher, student, and administrator will meet to discuss the behavior of concern. If necessary, parents will be contacted to join this meeting as well. *See Steps listed above as well,

Class Dojo: Classroom teachers at RCES are encouraged to use Class Dojo. This is a web-based behavior management tool that focuses on positive behavior. In this program, teachers have set up the targeted positive behaviors students should exhibit, as well as the negative behaviors to avoid. When a student is "caught" displaying some of the positive behaviors, they may be awarded points (merit) on Class Dojo. If, on the other hand, they are choosing to display negative behavior, the teacher will attempt to warn the child before ultimately administering demerits (losing points) if the behavior continues. Students begin each day with a "clean slate", although Class Dojo still keeps up with overall merits/demerits for the quarter.

At the end of each nine weeks, the students will have accumulated a total number of Dojo points. This number will determine their conduct grade. The following is the suggested formula used to determine conduct grades:

Example chart:

Total # Class Dojo Points:

Conduct Grade:

66 or more points	O (Outstanding)
65-45 points	S (Satisfactory)
44-25 points	N (Needs Improvement)
24 or less points	U (Unsatisfactory)

Catholic Diocese of Biloxi

Handbook of Catholic School Policies HARASSMENT / BULLYING - STUDENTS– Governance No. 34 June 2011 Date Approved

It is the policy of the Catholic Church in the Diocese of Biloxi that the school environment be a Catholic, Christian community that reflects Christ-like care and concern. Harassment of others, whether based upon gender, color, race, age, national origin, disability, or otherwise, is disruptive and immoral and will not be tolerated. Further, harassment or bullying of anyone will not be tolerated. Harassing behavior is any pattern of gestures or written, electronic or verbal communication, or any physical act or threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiation characteristic that:

(a) Places a student in actual or reasonable fear of harm to his or her person or damage to his or her property, or

(b) Creates or is certain to create a hostile environment by substantially interfering with or impairing a student's performance, opportunities or benefits. Bullying is a form of harassment.

Mississippi Code Ann. § 37-7-301-e allows schools to discipline for misconduct that takes place in the school, on school property, on the road to and from school, on any school-related activity or event, or for conduct occurring on property other than school property or other than at a school-related activity or event when such conduct, in the determination of the superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teachers of such class as a whole.

Notification of Harassment:

Each school in the Catholic Diocese of Biloxi will make every reasonable effort to ensure that no student is subjected to harassing behavior or bullying. Likewise, the school will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or person with reliable information about an act of harassing behavior or bullying. A school employee who has witnessed or has reliable information that a student has been subject to harassing behavior or bullying shall report the incident to the appropriate school official. A student or volunteer who has witnessed or has reliable information that a student has been subject to harassing behavior or bullying should report the incident to the appropriate school official. Any incidents of harassing behavior or bullying should be reported to the appropriate school official within five days of the alleged incident. (See Appendix D, Handbook of Catholic School Policies for forms)

(a) If the perpetrator is a teacher, other school employee, parent, or student, the student alleging harassment or bullying should notify the principal. The principal should, in turn, notify the Pastor or Lead Pastor (if the school is an interparochial school) and the diocesan superintendent of schools.

(b) If the perpetrator is a principal, the student alleging harassment or bullying should notify the Pastor or Lead Pastor (if the school is an interparochial school) and the diocesan superintendent of schools.

Investigation:

All reported incidents of harassing behavior or bullying will be investigated by the appropriate authority, keeping in mind that the accused is innocent until proven guilty. When necessary, however, interim measures may be taken during the investigation to insure the safety and well

-being of students up to and including those listed in the remedies section of this document.

Remedies:

Subject to the outcome of the investigation, an appropriate remedy will be developed based upon the facts uncovered. The remedy fashioned should be intended to insure that such harassment does not occur in the future.

(a) Potential Remedies if Perpetrator is Student:

- Discipline will be administered through the appropriate steps on the discipline ladder.
- Out of school suspension
- Expulsion

(b) Potential Remedies if Perpetrator is Employee (including Principal):

- Reprimand or any other appropriate penalty
- Demotion
- Transfer
- Suspension with or without pay
- Termination

(c) Potential Remedies if Perpetrator is Parent or Other:

- Barring from school premises

The decision and/or penalty is subject to a right of appeal by any person involved, as provided by Governance No. 9, to the extent to which that policy is applicable. (Standard 3, 3.2, 3.4, and 3.5) (See Appendix D, Handbook of Catholic School Policies for forms to document incidents)

Arrival and Dismissal Policy

ARRIVAL: School begins promptly at 7:55 with prayer on the pavilion. All students should be at school before that time. Students whose parents need to get to work early may drop off their children at daycare any time after 6:30 a.m.

- ***PLEASE DRIVE SLOWLY IN THE PARKING LOT (10 mph maximum) to help keep our children safe.***

DISMISSAL: Dismissal for half-day PK3 students is at 11:30 a.m.

Closing prayer and dismissal procedures begin at 2:40 p.m. on the pavilion. Aftercare begins at 2:55 p.m. Students will line up on the pavilion at 2:35 p.m. Cars file through under the awning at the direction of RCS Staff. Students are placed in the cars. This takes a few minutes but ensures their safety. Children are not permitted to cross the line of traffic so please take your turn in line. **PLEASE DO NOT DRIVE OUT OR BACK OUT OF THE LINE ONCE YOUR CHILD IS IN THE CAR.** This endangers the children and could result in serious injury. Watch for the staff person's signal. No child will be allowed to leave the pavilion even with a parent when the traffic is moving. We discourage pick-up and drop-off in the Church parking lot. Students whose parents insist on doing this **MUST** escort the students to the pavilion and pick them up at the pavilion. **PLEASE REFRAIN FROM TALKING OR TEXTING ON CELL PHONES WHILE IN THE LINE.**

- ***FAILURE TO FOLLOW THE PROCEDURE CREATES SAFETY ISSUES AND WILL BE ADDRESSED BY THE PRINCIPAL.***

Attendance

Every student benefits from regular attendance at school. Absences and tardiness have a detrimental impact on the student's opportunity to progress. When a child misses a day of instructional time, opportunities to learn are lost. When a child arrives minutes or hours late for class their routine is disrupted as is that of their classmates. Work with us to protect instructional time. Schedule appointments after school whenever possible. Schedule vacations during established school holidays.

Absence

A WRITTEN EXCUSE for any absence should be submitted within 5 school days after the absence. Parents are asked to call the school on the first day of a child's absence. Make-up work is the student's responsibility. Work with teachers to ensure assignments are made up. Absence for illness, for a death in the family, or for a trip (if prearranged with the school) may be considered excused. Any assignments missed during such absence must be made up

A student may not leave the school premises during the day without a parent or designated adult signing them out in the office. No parent may go to a classroom and get a child out of class without authorization from the office. If a parent designates someone else to pick up a child, the office must be notified prior to pick up preferably in writing.

Tardiness

A child is considered tardy if he/she arrives after the 7:55 bell. Tardy students must report to the office for a "late pass" to get into class. Parents may not accompany their child to class to explain the tardiness or deliver forgotten items.

Perfect Attendance is earned for the year if the student has had no absences, tardies or early checkouts.

Academics

Progress Reports

Your student's progress in grades 1-6 is tracked in ***PowerSchool***. Progress reports are sent mid-quarter to inform the parents about the students' progress. All progress reports must be signed by parents and returned to the respective teachers within five school days. Student success is important to us and therefore requires close communication and cooperation.

Report Cards

Resurrection Catholic School uses ***PowerSchool*** to keep parents informed of their child's progress and sends home a quarterly written report of each student's scholastic achievement and attitude toward school and the curriculum. Report cards should be returned within five school days, except the last report card of the school year. Use these reports to encourage your child to continue the fine work he/she is doing. Parent teacher conferences are arranged as the need arises and on request of the teacher or parent.

Grading Scale

Letter Grade	Percentage Value
A	93%-100%
B	85%- 92%
C	75%- 84%
D	70%- 74%
F	Below 70%

Promotion/Retention/Grades

The promotion or retention of a student depends upon the work completed and the ability of the student. To be promoted in grades 1 - 2, a child must pass three out of the four major subjects and demonstrate adequate reading skills for age and grade. To be promoted in grades 3-6, a student must pass five out of the six major subjects and must be reading on grade level. A student may be socially promoted if it is not to the child's academic or social advantage to be retained. Social promotion will be identified on the child's records.

Homework

Homework is a necessary part of your child's education. It affords an opportunity for independent practice and personal application of what was learned at school. Activities on weeknights that interfere with homework are to be discouraged. Parents should make every effort to be present when homework is being completed. Your encouragement can be most helpful in building your child's confidence.

Also consider the following homework time guidelines:

- 20 - 30 minutes for students in grades 1 and 2
- 45 minutes for grades 3 and 4
- 45 - 60 minutes for grades 5 and 6

If homework is taking a very long time, please speak to the teacher so that the problem can be resolved. Homework projects left at home (as well as lunches, medicine, etc.) are to be brought to the office, not taken to the classrooms.

Honor Roll

In order to recognize those students who have special talents in academics or who work very hard and to encourage every student to try to do their best, each report card will have a published Honor Roll for grades 2 - 6.

- Students on the Principal's Honor Roll will have straight A's in every subject;
- Students with A's and B's will be on the Honor Roll.

An Unsatisfactory grade (U) in conduct will prohibit students from earning honor roll.

Behavior

Behavior Policies

When we accept your child into our school we agree to help your child learn those basic skills that will enable them to best use the talents that God gave them. We also agree to teach them the relationship between the Catholic faith and many things they are learning. When a child enters our school we assume that he/she has been taught at home how to behave. If not, it would be unfair to the other children in the school to spend precious learning time disciplining one child and deny others their opportunity to learn.

It is true that children of elementary school age do require much supervision. Certain rules are established and enforced so that good order will exist. We expect parents to support such rules and regulations. In this way, the students will learn and the school will attain its goals without the obstacles that a lack of discipline creates.

Resurrection School does not administer corporal punishment. However, a student who misbehaves may be denied recess, sent home for a required parent conference, assigned an afternoon detention, or assigned Saturday detention with a \$20.00 service fee.

Behavior in Church

Resurrection Catholic Elementary School is just that, a Catholic School. A very valuable part of our curriculum is of a religious nature. While we welcome students of all faiths, it is important that all students attend weekly Mass and are expected to show reverence for the Catholic Tradition. Any student who is disrespectful during Mass or any other religious activity can expect consequences.

Classroom Behavior

At the beginning of the school year, each teacher will discuss the rules, procedures and consequences that they have for students. Each teacher will explain these to the parents during Parent Nights.

It is the responsibility of each person in a classroom to help create a learning environment. The teacher, however, is responsible for evaluating when behavior exceeds acceptable limits. In an effort to maximize the learning environment each teacher will utilize every effort to correct any student's behavior that is detrimental to teaching and learning. Close communication with the parents is critical.

Behavior in the Cafeteria

All students are expected to be courteous and well-mannered in the school cafeteria. Conversation should be kept at a pleasant level and limited to the students who are sitting at the same table. Repeated unacceptable behavior will result in negative consequences.

The following behavior is considered unacceptable:

- Yelling to people at other tables.
- Deliberately dropping food or paper on the floor.
- Playing with food.
- Failure to clean up the table when the meal is over.
- Poking or grabbing other students.
- Taking food from another student's tray.

Any student who engages in throwing food at any time will have lunch in isolation for a time designated by the principal.

Behavior Consequences

FIRST OFFENSE: A teacher-student conference will be held. The teacher will document all infractions.

SECOND OFFENSE: Within 10 calendar days, if the student continues to have a behavioral problem, the teacher will telephone the student's parents at home or at work and discuss the situation.

THIRD OFFENSE: Within the next 10-day period, if the student is still misbehaving he/she will be sent to the principal's office with a referral form. At that time, the principal will speak with the student handle however he/she sees fit. This may include a call to a parent, a day of in school isolation, a detention/work detail, loss of privilege or an out of school suspension.

FOURTH OFFENSE: Within the next 10 day period, if the student displays the same disruptive behavior, he/she will be sent to the principal and parents will be notified of this very serious problem. The student may be given an out of school suspension or other consequence determined by the principal. The parents, student, teacher and principal will confer before the student is allowed back to school. If the student is Catholic, his/her pastor may be notified and asked to set up a counseling session with the student.

FIFTH OFFENSE: Within the next 10 day period, since the student has continually displayed inappropriate behavior over a forty day period, the student may be dismissed from RCES immediately.

Serious Behavior Problems

The following behaviors by Diocesan Policy can result in the immediate suspension of a student and possible expulsion recommendation following a thorough investigation.

- Threats to self or others
- Possession of any type of weapon or use of ordinary items as a weapon.
- The sale, purchase, possession or consumption of drugs including alcohol.
- Possession by a minor of tobacco or other substance
- Defiance and disrespect of any authority figure
- Theft
- Vandalism
- Serious fighting
- Profanity
- Bathroom misconduct or mischief
- Possession of pornographic materials, magazines, books.

Suspension or Expulsion

The following offenses committed on campus will result in the immediate suspension and

possible expulsion of a student:

- Possession by a minor of tobacco or other tobacco substance
- Smoking
- Serious and/or continuous disrespect to faculty
- Any activity that endangers the safety of students or adults at Resurrection.

Religious Duties

Since parents have conferred life on their child, they have the most solemn obligation to educate their child, and live as their example. Parents should clearly recognize how vital a true Christian family is for the life and development of each person. The Christian life can be strengthened by the daily practice of morning and evening prayers and by going to church as a family on Sunday.

By registering your child at Resurrection, you have assumed the obligation of cooperating with the school's religious program. Failure to cooperate creates conflict for each child and places him/her in a frustrating situation.

The students at RCS elementary campus attend Mass as a school each Friday. **This does not relieve their obligation to attend Sunday Mass.** All the students assemble on the pavilion each morning and pray together, salute the flag, and sing a patriotic song. Students in second grade study the sacraments of Eucharist and Reconciliation in preparation for receiving them in their home parish. Parents of Catholic students above second grade who have not yet prepared for or who have not received these sacraments should notify the school office the first week of school. Our religious studies coordinator will facilitate their preparation during the second semester.

Student Records

All student records are kept confidential and will be provided to other agencies only in accord with the Family Rights, Privacy Act, and the Education of Children Act. No unauthorized person may see a child's records unless a parent gives written permission to comply with the confidentiality procedures as outlined by the school advisory council. The guidance counselor manages all cumulative records, permanent records, new enrollments and transfers out.

Uniform Dress

The uniform regulations for students on the elementary campus are provided to eliminate conflicts and avoid situations that are divisive. **Uniforms must be purchased through the PTO to ensure proper color, style, and emblem. The only exception is the jumper or skirt for the girls, which is purchased from Zoghby's in Mobile. The following simple guidelines outline what is permitted. Please note the special requirements for Mass days. Sixth graders may follow uniform guidelines for secondary campus with the exception of socks. The socks must be white full crew or knee socks or those with RCS logo.**

Girl's Uniform

- Official Resurrection uniform jumpers with an emblem sewn on upper left side worn over a white blouse that is free of lace, other decoration or design, or white uniform polo shirt with proper emblem. If jumpers are removed after Mass, the blouse /shirt must have an official emblem. Uniform shorts may be worn underneath the jumper but may not exceed the length of /skirt/ jumper.
- ***Girls grades K-5 wear jumper. Gr. 6 wears the skirt. (This is required for Mass.)***

- Uniform slacks or uniform shorts may be worn with the proper uniform shirt on all other days. Small color coordinated hair bows or bands are permitted. This *excludes polka dots*, animal prints, purple, orange, turquoise, etc.

- **Please label every item of your child's clothes with his/her name so that it can be returned to the owner if lost.**

Grooming

- Children learn their primary grooming habits at home. We ask that all school clothing should be clean and neat and free of stains, holes, and tears.
- Hair for all students should be clean and meet length guidelines.
- ***A student's vision must not be obscured.*** Boy's hair should be no longer than the top of their collar with no ponytails. Bangs should be at least one inch above the eyebrow. No extremes in hairstyles are allowed for either boys or girls, such as shaven heads, Mohawk, dyed, bleached or streaked, punk or other styles that cause unnecessary distractions.

Outerwear

- Coats and jackets may be any color but must be removed in the classroom and church.

- 1st offense-note from the office
- 2nd offense-call to a parent
- 3rd offense-call to a parent and a one hour after school detention
- Recurring problems: Parent conference with the principal.

Three offenses within a nine week period can require the student to serve a Saturday Detention which carries a fee of \$20.

GENERAL INFORMATION

Office Hours and Appointments

The Principal's office may be reached by calling 762-7207. Office hours are from 7:15 a.m. to 3:30 p.m. each school day. Please make an appointment in advance whenever possible to see the principal or a member of the staff.

Class Visits

We welcome properly scheduled visits by parents, patrons, volunteers, and friends of our school. Protection of instructional time is a real concern as is campus security. **Report to the office to arrange a class visit.** To facilitate smooth operation, we appreciate your cooperation in scheduling visits through the principal's office. A hall pass issued in the office is required to visit classes for any reason. Access for all visitors will be through the hall door by the office. The school secretary or her designee will issue required passes.

All Visitors including ALL PARENTS, room mothers, etc. are expected to report to the office when arriving. Visitors will be issued a pass, allowing them to visit the school. No parents may go to the classroom without permission from the office.

Cafeteria Program

The school cafeteria has trained personnel who furnish nutritious balanced meals. Schools using the Federal Meal Program must follow certain regulations. Those who wish may bring their lunch from home. ***FAST FOOD MEALS AND SOFT DRINKS are not permitted in the cafeteria. NO GLASS CONTAINERS ARE PERMITTED IN THE CAFETERIA.*** Students bringing lunch from home may bring in juice or may purchase milk for lunch. No student will be allowed to skip lunch. **Carbonated beverages are not permitted at lunch.**

Families are encouraged to participate in the Federal Free and Reduced Lunch Program since increased participation can mean increased funding and eligibility through other federal programs, such as E-Rate program (technology funding). Free and reduced lunch forms are available in the office. We recommend that all meals be PAID BY THE MONTH. Each child has an account that can be debited for meals or snacks. Monthly menus are sent home for planning purposes. Charges in the cafeteria are not routinely permitted. When sending checks,

please place the check in an envelope marked with the student's name, class, and purpose. Please give specific instructions when sending money for meals and snacks and for multiple children.

SNACKS

Children may drink milk, juice etc. during the morning recess. We encourage healthy snacks because many of the students do not eat their lunch if morning snacks are too heavy or sweet. We suggest fruit, power bars, trail mix etc. Students should not bring candy, gum, cookies, or other sweet snacks to school. Individual classes sometimes arrange for snacks for the entire class. All snacks must be eaten in the cafeteria. **Chewing gum is prohibited on campus.**

Disruptive Items

Cell phones, video games, radios, CD/Tape players, toys, collectable cards, etc. are disruptive to the educational process, and therefore not permitted at school. The teacher will take the item for the first offense and a parent may claim the item at the end of the day. For a second offense the item will be held for five school days. A third offense will draw loss of privileges for ten days. Subsequent infractions result in the item being held for the remainder of the school year as well as detention or other disciplinary action by the principal. Students may not receive flowers, balloons, or gifts at school. Please have these delivered to your home. **Students in grades 3-6 are asked not to bring birthday cakes or king cakes without the teacher approval.**

Extended School Day Care

This service is for Resurrection Elementary School students only. It is provided each day school is in session. HOURS: daily 6:30 a.m-7: 40 a.m./2:55 p.m. to 5:30 p.m. Services offered include afternoon snack, supervised play, and supervised homework. A \$25.00 registration fee is required when the registration forms are filled out. Regular daycare should be paid at the beginning of the month. Drop-ins may pay when picking the student up.

Field Trips

All field trips will be planned with the approval of the principal. The parent prior to any trip must sign a permission slip. Transportation will be indicated on the permission slip but every child must be in a seat belt (unless on school bus). The school will determine dress. Parents who drive must have proof of \$300,000 personal injury and \$100, 000 liability insurance, a current driver's license, and Diocesan Driver and vehicle Information Sheet on file in the office and the required security clearance through the diocese. **Trips out of state must have Diocesan approval 2 weeks in advance.**

Immunizations

Mississippi Law states "It shall be unlawful for any child to attend any school, kindergarten or similar type facility intended for the instruction of children either public or private unless they shall first have been vaccinated against those diseases specified by the State Health Officer." A certificate of Compliance is required from a private physician or the Jackson County Health

department upon registration into kindergarten. A copy of the child's immunization card is sufficient in PK3 AND PK4.

A child with a communicable disease will not be permitted to attend school until evidence is provided that the student is no longer contagious. This is necessary to protect the rest of the students.

Medicine

RCES Students have a medical sheet on file in the office which must be updated each year. The front of the sheet is general medical information on the students and the back is a log which is completed each time a child reports to the office with a medical issue. Parents are notified if a pattern of complaints are noted. It is preferred that parents come to the school to give medicine when possible. If this is not possible, a written request, signed by the parents should be turned into the office with the medicine upon the child's arrival at school. **NO CHILD IS ALLOWED TO KEEP MEDICINE IN THE CLASSROOM.** All medicine must be clearly labeled with the child's name. It will be kept in a locked cabinet. The emergency card completed at registration provides information for immediate contact and backup contacts should a parent not be reachable. The flip side of the emergency card provides space for parent/guardian to give permission to administer Tylenol, Motrin or aspirin should the medical need require it. Only the secretary, principal, or designee is allowed to dispense medicine.

Parties

In order to protect required instructional time necessary to retain our accreditation, parties at RCES will be very limited. Only Christmas parties will be permitted during the school year for grades 3-6. Birthday parties are not permitted, however cupcakes or cookies may be provided for the snack on a given day if pre-arranged with the teacher. All other celebrations will be strictly planned and executed under the direction of the classroom teacher. In order that no child feel excluded or singled out teacher teams at a grade level will plan activities so that classes will have similar experiences. Please address any questions or concerns to the principal. **We do not distribute invitations for parties unless everyone in the class receives one.**

Planners and Folders

Students are encouraged to learn to use this Handbook planner to record homework assignments and important reminders. Families may reference this handbook for information. Additionally, student folders are provided for take-home papers and weekly announcements.

Special Programs

The school has Title services under the administration of the Pascagoula-Gautier School System. Tutorial assistance is available during school for qualified students. The requirements needed to participate in this program are available at the Federal Programs Office of Pascagoula-Gautier School District.

Student Supervision

Children will be supervised at all times. The school will not accept liability for accidents that occur before or after school hours. We urge you to make every effort to see that your child is picked up promptly each afternoon. Be aware that any child not picked up by 2:55 on a regular school day will be sent to the daycare and the parents charged accordingly for this service.

Telephone Use

Only in cases of extreme necessity are teachers or students called to the telephone. Children are not permitted to use the phone to call home for permission to visit friends after school, for lunches, or to arrange transportation to some place. **According to new Diocesan Policy students are not permitted to have cell phones on their person.** **If there is a unique situation on a given day that requires them to have a phone, please bring it to the office for us to hold and provide to them as they leave the campus.**

Withdrawal

- A family should notify the principal at least 5 days before withdrawing their children from school.
- To satisfy the Family Education Rights and Privacy Act, Resurrection hereby makes note to the parents that the school is allowed to send education records to other schools upon that school's request.
- Students who transfer from the school because of dissatisfaction with the school will not be

readmitted without approval from the advisory council.

No records and/or report cards will be released for transfer to another school until all withdrawal requirements are met.

As a college preparatory school, in conjunction with our mission, coursework at RCMHS is administered above the minimum framework as outlined by the State Department of Education.

Religious Studies: RCMHS requires that a religious studies course be taken and passed each year that a student is enrolled. **All students at RCMHS, regardless of religious affiliation, are required to take a course in religious studies each year.** Any course not passed must be made up as directed by the Religious Studies Department and the administration. **COMMUNITY SERVICE hours are a requirement for religious studies courses and will be directed by the religious studies instructor.**

Science: All students at Resurrection Catholic High School are required to take four (4) units in Science in order to meet State Graduation Requirements. One of the four science courses must be a lab-based science: Physical Science, Chemistry, or a higher level lab-based science.

Mathematics: At least three (3) of the four (4) required mathematics courses must be higher than Algebra I. Eligibility to enroll in specific math courses is based on student achievement and teacher recommendation. Math courses beginning with Pre-Algebra may count toward the required courses for graduation if they are taken at 8th grade and above. Seniors must take a math course to fulfill graduation requirements.

Foreign Language: Resurrection Catholic High School (and many colleges) requires that students take at least two years of the same foreign language. Students who transfer in their junior or senior year must have at least one (1) foreign language credit.

Advanced Placement (AP) Courses: AP courses are offered to seniors and juniors for possible college credit pending passing scores on the AP Exam. Eligibility to enroll in AP courses is based on student achievement and teacher recommendation. Each AP course will have a summer assignment component. Students who do not complete the summer assignment by the deadline will be dropped from the course.

AP exams will only be administered for the AP courses taught at Resurrection Catholic High School. All students who enroll in an AP course will be required to purchase and take the AP exam at the end of the year. All AP Course fees are due at Confirmation of Registration.

- The course is not currently being taught at RCMHS
- The course does not conflict with a course required for graduation.
- The student has exhausted all courses at RCMHS that are currently being taught in that discipline.

Note: The student must check in and out through the office each time he/she leaves campus. There will be no reduction in tuition for students leaving campus to take another course.

- Classes taken during the summer (by approval only) will count in the the student’s GPA, but will NOT be weighted.

Students are allowed to take up to two (2) college courses outside of RCS (with approval only)

7 th Period Release Program for Seniors

The 7th Period Release program allows students to be dismissed at the end of 6th period each day if they choose to work, volunteer in the community or dual-enroll in college courses.

Students must have at least 22 credits prior to their senior year to participate in Early Release. Twenty-eight credits are required to graduate. All seniors must complete the 7th Period Release Agreement, whether choosing the option or not. The agreement must be submitted to the Guidance Counselor for approval. All applicable signatures are required, as well as a parent signature. Students will be notified of approval by the guidance counselor.

The 7th Period Release option will replace one elective course in the student’s schedule. This program does not award Carnegie units. All students must attend school for periods 1, 2, 3, 4, 5 and 6 each day, and early release may not be used as an excused absence from any school function or practice. All 7th period release students must leave campus during 7th period, and should not return to campus for any reason other than a school function or afterschool practice.

The privilege of 7th Period Release may be forfeited if any school rules are violated. This program will not come with a reduction in tuition. Please contact the guidance office with any questions about this program.

Registration applications are available in the Guidance Office. There are specific testing dates, test centers and registration deadlines. Students should refer to the institution of their choice for current requirements since the requirements are not the same for all institutions. Most college scholarship offers are based on ACT and/or SAT scores.

Exam Schedule

Nine weeks exams are administered at the end of the first and third nine weeks (Q1 & Q3). Quarter Exams are weighted as 20% of the term grade. Midterm/Semester and Final Exams are administered at the end of each semester (S1 & S2). These exams are comprehensive and will be weighted at 20% of the term (semester) average.

These exams are announced in advance and are on the school calendar. Exams are **not given early** for any reason. A student who must miss an exam due to illness, surgery, or other reason (including a disciplinary cause) will be required to take the missed exam **upon return to school**. A new report card will be issued to reflect the corrected grade. Only seniors may qualify for exemptions from final exams. (See Exemption Policy)

- The first and third nine weeks will include an exam at the end of the quarter that is weighted 20% of the nine weeks average.
- The second semester grade will include a comprehensive final exam worth 1/5 of the grade.
- A final grade for the course is determined by averaging the first and second semester grades so that each semester's grade carries a weight of 50% of the final grade.

A student who fails the first semester of a one credit course and passes the second semester may receive credit for the course if the second semester average is high enough to offset the first semester failing grade. If the average of both grades is below 70%, no credit will be given.

Half Credit Courses

Virtual Classes - Mississippi Virtual School

- Students may take virtual classes for remediation (failed course previously) or if the class the student wishes to take is at a higher level class and is not offered at RCS. Student must first get administrative approval through the guidance office.

- Students may not take a virtual course to replace a course offered at RCS unless student has previously failed the course.
- Virtual Class Policy will be reviewed for extenuating circumstances.
- Students may take a foreign language course through virtual classes after RCS language requirements have been met.

Progress Reports & Report Cards

Information regarding student progress is available online on PowerSchool. (Printed Progress Reports are not sent home.) Parents are urged to monitor the academic progress of their child(ren) on a regular basis. The mid-point of each nine weeks is noted on the school calendar as a “Progress Check Date.”

Grades for each nine weeks are available on PowerSchool for viewing at the end of each nine weeks. Report cards will be issued to students at the end of the first semester and mailed to parents at the end of the year. Report cards will be held and access to PowerSchool denied - at the end of each nine weeks or the end of the school year - for any student whose parents are delinquent in fees or tuition, or a student who is maintaining a negative balance greater than \$25 in the cafeteria.

PowerSchool may not be accessible until financial arrangements have been made.

Parent/Teacher Conferences

Parents are encouraged to schedule personal conferences with the respective teacher at the first sign of academic difficulty. The guidance office will arrange these conferences. Parents may contact teachers by email or by leaving a message with the front office. With a few exceptions, the email address of each teacher is the first initial of the first name, the entire last name at (@) rcseagles.com (i.e. lhompson@rcseagles.com). Dr. Ledford’s (counselor’s) address is abledford@rcseagles.com

Schedule Change Requests

Students who wish to drop a course should be aware of the following guidelines:

- Courses may only be dropped if another appropriate course is available during that time period.
- Courses may be changed at student/parent request during the first five (5) school days without penalty.
- Courses dropped at student/parent request after the first five (5) school days may be made, with administrative approval. However, missed coursework may **NOT** be made-up.

School Year

One school year equals two Semesters (S1 & S2= Y (final grade))

One semester equals two quarters (Q1 + Q2 = S1; Q3 + Q4 = S2)

Report cards are issued after each quarter for a total of four report cards for the year.

Textbooks

Students are issued state-owned or RCS textbooks. Textbook funds are allocated by the State of Mississippi to RCS according to our Average Daily Attendance. Therefore, regular school attendance benefits our ability to provide the textbooks necessary to educate each child. **Fines are imposed for lost or damaged books.** Please ensure that textbooks are covered and protected from loss and damage. Exams may be delayed for the student who has lost the textbook until the text is returned or the replacement cost is submitted.

Admissions Policies

“Commit your work to the Lord and your plans shall be established” -Proverbs16:3

It is to be clearly understood that the submission of a Registration form, along with the required fee, does not constitute admission or enrollment to Resurrection Catholic School.

Students who have a satisfactory academic, disciplinary and attendance record are eligible for admission to Resurrection Catholic School. The applicant is accepted on the basis of previous academic performance, recommendations of teachers and principal, and the prospective student’s desire to grow morally, spiritually and academically within the educational and religious programs offered by the school. Resurrection Catholic School does not discriminate on the basis of race, color, sex, national origin, or ethnic origin. Students asked to leave a previous school for non-academic reasons are generally not considered for admission to Resurrection Catholic School.

Seniors are not permitted to enroll after the first semester. Seniors entering RCS after the beginning of the school year (before the end of the first semester) will not be allowed to move another students’ class ranking. The incoming senior will be assigned a class ranking parallel to an existing class member. Scholarships based on class ranking will be given to seniors who began the school year at RCS.

Enrolled students accept the authority of Resurrection Catholic School to deal with violations of the school code in a manner reflecting the spirit as well as the letter of the school codes. Parents and students are expected to make themselves aware of all the rules and regulations of Resurrection Catholic School. Students are expected and obliged to abide by all rules and regulations.

**Note: The school abides by the provisions of the Buckley Amendment. Thus, non-custodial parents will be given access to the academic records and to information regarding the academic progress of their children, unless there is a court order specifically stating that this non-custodial parent is denied access to such information.*

Currently Enrolled Students

Pre-registration of all currently enrolled students occurs in the early spring of the year. Re-admission for the next year is contingent upon successful completion of academic work and evaluation of disciplinary, behavioral and attendance records at the end of the current school year. Teachers may recommend students for review to the school administration. Those not being readmitted will be notified by June 30th.

Change of Contact Information

Parents should report any change of contact information (i.e. address, phone number, e-mail) to the school office as soon as it occurs. It is imperative for the school to keep an accurate record of parent’s work numbers etc. in case of an emergency. No person other than emergency contacts on the emergency card will be allowed to pick up the student without written permission.

Health Compliance

Each student who attends a school in the state of Mississippi must have on file an immunization form (Form 121) in the school office. These must be obtained at the Health Department. Student must turn in this form to the office before school begins.

In order to protect the rest of the student body, a student with a communicable disease will not be permitted to attend school until evidence that he/she is no longer contagious is submitted.

Announcements & Morning Prayer

“Do not be anxious about anything, but in everything by prayer and supplications with thanksgiving let your requests be made known to God.” -Philippians 4:6

Announcements are read during morning assembly or over the PA system each day. In order to practice courtesy, no student or teacher should talk. Everyone should refrain from eating, drinking, doing homework or carrying out tasks during Morning Prayer, Pledge of Allegiance or Announcements.

Everyone is expected to assume a prayerful and respectful atmosphere.

Students are responsible for being aware of all information communicated during the announcements. They will be posted on the website by the end of each school day for convenience.

Any student/teacher who has an announcement should put it in writing, have the faculty/sponsor sign it (if it is a club announcement by a student) and submit it to the office BEFORE ANNOUNCEMENTS BEGIN. NO ANNOUNCEMENTS WILL BE MADE FROM THE FLOOR WITHOUT PRIOR APPROVAL OF THE PRINCIPAL.

Arrival and Departure

The school day begins at 7:45 AM and concludes at 3:10 PM. If the student has not been picked up by 3:15 pm, he/she will be sent to a designated area for supervision until a guardian arrives for pick up. Please ensure that transportation is available within this timeframe. The discipline policy applies to students at all times while on campus or at any school related activity.

Assemblies & Pep Rallies

“But if we walk in the light, as he is in the light, we have fellowship with one another . . .” - 1 John 1:7

Students are expected to attend required assemblies, school liturgies, and pep rallies that are being held during the school day. Behavior appropriate to the occasion is expected. (See [COURTESY CODE](#) & [DISCIPLINE CODE](#))

Attendance Policy

“And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.” - Hebrews 10:24-25

Regular and punctual school attendance is important for developing and maintaining a successful educational experience. It promotes a sense of responsibility, ensures educational continuity, facilitates academic growth, and prepares a student for his or her future career. As a result, students are expected to be present and on time all days when school is in session. RCS is guided by the **Compulsory School Attendance Law, Section 37 – 13 – 91 of the Mississippi Code 1972 Annotated.**

In order to receive academic credit in a course, a student must meet two criteria:

- Earn a final grade of 70 or better.
- Not miss more than eight (8) unexcused days per semester.

Definitions

Tardy: A student is considered to be tardy if he or she is not in the designated class, homeroom or school activity by 7:55 AM or when the tardy bell rings at the designated class period change.

On arriving late to school (after Morning Prayer/Announcements) the student shall report to school office and obtain a check in slip.

A student is allowed 3 tardies per quarter. Once the fourth tardy (for any class) is reported, and the student being placed on the school discipline ladder for the fourth and each subsequent tardy. This policy does not distinguish between excused and/or unexcused tardies. (See [DISCIPLINE LADDER](#))

A note to class from another teacher does not mean the tardy will be excused. Notes may be accepted at the discretion of the receiving teacher.

Absent:

- Each semester, a parent/guardian may excuse up to three (3) days of absences for a middle/high school student by providing written notes. Each note must contain the excusable reason for the absences, the dates of the absences, and must be signed and dated by the parent/guardian. After the middle/high school student has three (3) absences excused by parental/guardian notes in a semester, the student must provide “official” documentation (for example, documentation by a doctor or court). Otherwise the absences will be considered unexcused.
- A student is considered to be absent if he or she is not in the designated class 15 minutes after the tardy bell rings.

Truant:

- The parent/guardian was not aware the student was absent.
- The reason for the absence is not a valid excuse for temporary nonattendance according to the State’s Compulsory Attendance Law.

Parents should be aware that unexcused absences in excess of eight days will be deemed excessive and will be reported to the proper offices and the matter will be subject to further action to determine the student’s eligibility to earn credit in classes in which the absences occurred.

Method of Reporting Absences

Parents or legal guardians are expected to call the school no later than 8:30AM on the day of the absence. If the parent fails to call the school, the office staff will call the parents at home or work to verify that the student is absent. **This phone call does not result in an excused absence.**
Appropriate written documentation must be submitted within five (5) days of the absence.

Parent notes should include:

- the name of the child
- the day day(s) absent
- the reason for the absence
- parent(s)/guardian(s) contact info & signature.

All notes are reviewed by the principal or his/her designee to determine if the absence is excused.

If circumstances such as surgery or long term illness are involved, the Principal makes a decision in the best interest of the student. A medical release is necessary to report to school after any surgery or extended illness.

Absences for religious activities or educational trips may be considered excused if presented to the administration for approval ahead of time and with proper documentation. Whenever possible, doctor and dental appointments should be made after school hours or coordinated not to cause repeated absences in the same classes.

Excessive Absences

According to **Diocesan Governance No. 38**, “**Unexcused absences should be considered unlawful when they exceed eight (8) days.**” When a student is charged with a total of eight (8) unexcused absences during any semester, the student is placed on attendance probation and the parent/guardian will be notified.

- After the tenth (10th) absence, the administration will convene an attendance review committee to discuss the absences. All absences and the student’s options will be considered at that time.
- The attendance review committee is composed of the administration and four faculty members.
- Any Resurrection Catholic High School Senior who accumulates 10 or more unexcused absences in either semester of their Senior Year will forfeit his/her privilege to participate in Graduation Commencement/Mass Ceremony.

The only excused absence will be for students who provide proper documentation of:

- Illness, death or serious illness in the immediate family.
- Doctor or Dentist Appointment (Documentation from the Doctor’s/Dentist’s Office)
- Court Appointments
- Religious/Church or Educational Activity.

**A Student is NOT considered absent if he/she is at an RCS Sponsored Activity

*** Seniors will be allowed four (4) college days per school year (2 per semester) to visit and tour colleges. (See [Appendix B](#))

Anticipated Check Outs/ Check – Ins

Students who find it necessary to check-out during the school day must sign out and be given permission to do so. The procedure for checking out is as follows:

- The parent/guardian must send a note, or the doctor or dental appointment card, to the school before 8:00 AM requesting the student be dismissed early. If no note is submitted, the student must be physically checked out by a parent/guardian. Emails and phone calls will not be allowed.
- The student must sign out in the office before leaving campus.
- If a parent/guardian picks up the student, he/she must sign the student out in the office.
- Check-outs are allowed only for legitimate reasons such as illness, doctor or legal appointments, and emergencies.
- Check-outs will not be allowed before or during **exam periods, assemblies, or mass.**
- Check-outs will not be allowed less than 30 minutes before school dismisses.

Whenever possible, doctor and dental appointments should be coordinated not to cause repeated absences in the same classes.

Unanticipated Check Outs

If an illness or emergency occurs during the school day, the student will report to the school secretary, who will contact the parent/legal guardian to verify the arrangements for the student leaving school. No student will be released unless a parent/legal guardian has been contacted and written verification has been submitted.

No student will be allowed to check out without a parent signing out the student in the office or sending written permission. Phone call checkouts are not allowed. Parents may e-mail, fax or send notes to the school office to give permission for students to leave.

A note should be presented at the time a student checks in to the office. Students (or parents) must sign in upon arrival and obtain an admittance slip.

Makeup Work

Bullying

Verbal and non-verbal harassment will not be tolerated and may result in suspension and/or dismissal. Resurrection Catholic School has adopted the Catholic Diocese of Biloxi's policy regarding harassment and bullying as stated below:

GOVERNANCE #30 (REVISED) HARASSMENT/BULLYING – STUDENTS

It is the policy of the Catholic Church in the Diocese of Biloxi that the school environment be a Catholic, Christian community that reflects Christ-like care and concern. Harassment of others, whether based upon gender, color, race, age, national origin, disability, or otherwise, is disruptive and immoral and will not be tolerated. Further, harassment or bullying of anyone will not be tolerated.

Harassing behavior is any pattern of gestures or written, electronic or verbal communication, or any physical act or threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiation characteristic that:

- a) Places a student in actual or reasonable fear of harm to his or her person or damage to his or her property, or
- b) Creates or is certain to create a hostile environment by substantially interfering with or impairing a student's performance, opportunities or benefits.

Bullying is a form of harassment.

Mississippi Code Ann. § 37-7-301-e allows schools to discipline for misconduct that takes place in the school, on school property, on the road to and from school, on any school-related activity or event, or for conduct occurring on property other than school property or other than at a school-related activity or event when such conduct, in the determination of the superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teachers of such class as a whole.

Notification of Harassment:

Each school in the Catholic Diocese of Biloxi will make every reasonable effort to ensure that no student is subjected to harassing behavior or bullying. Likewise, the school will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or person with reliable information about an act of harassing behavior or bullying. A school employee who has witnessed or has reliable information that a student has been subject to harassing behavior or bullying shall report the incident to the appropriate school official. A student or volunteer who has witnessed or has reliable information that a student has been subject to harassing behavior or bullying should report the incident to the appropriate school official.

Any incidents of harassing behavior or bullying should be reported to the appropriate school official within five days of the alleged incident.

- a) If the perpetrator is a teacher, other school employee, parent, or student, the student alleging harassment or bullying should notify the principal. The principal should, in turn, notify the Pastor or Lead Pastor (if the school is an Inter-Parochial school) and the diocesan superintendent of schools.
- b) If the perpetrator is a principal, the student alleging harassment or bullying should notify the Pastor or Lead Pastor (if the school is an Inter-Parochial school) and the diocesan superintendent of schools.

Investigation:

All reported incidents of harassing behavior or bullying will be investigated by the appropriate authority, keeping in mind that the accused is innocent until proven guilty. When necessary, however, interim measures may be taken during the investigation to insure the safety and well-being of students up to and including those listed in the "Remedies" section of this document.

Remedies:

Subject to the outcome of the investigation, an appropriate remedy will be developed based upon the facts uncovered. The remedy fashioned should be intended to insure that such harassment does not occur in the future.

- a) Potential Remedies if Perpetrator is Student:
 - 1. Discipline will be administered through the appropriate steps on the discipline ladder.
 - 2. Out of school suspension
 - 3. Expulsion

b) Potential Remedies if Perpetrator is Employee (including Principal):

1. Reprimand or any other appropriate penalty
2. Demotion
3. Transfer
4. Suspension with or without pay
5. Termination

c) Potential Remedies if Perpetrator is Parent or Other:

1. Barring from school premises.

The decision and/or penalty is subject to a right of appeal by any person involved, as provided by Diocesan Governance #9, to the extent to which that policy is applicable.

Conduct toward Teachers and Staff:

- Students should always address staff members and teachers as adults, using the respective proper title (Miss, Mrs., Mr., Dr., Sister, Father, Brother, etc.)
- Students should say “Yes, (title), and “No, (title)” to answer a question. They should never say, “Yep,” “Nope,” or “Uh-huh.”
- Students should say “Thank you, (title)” every time a staff member or teacher helps them.
- Students should say “Excuse me” when one doesn’t understand something and want an adult to repeat something. Students should not say “What?” or “Huh?”
- Students should stand and greet officials or other dignitaries (i.e. Bishop Morin, Priests, and other official visitors).
- Students should excuse oneself when wanting to interrupt an adult asks one to do something. They should never say “Okay”, “All right,” or “I guess so.”
- To enter a classroom while a teacher is teaching, students should knock gently, excuse oneself, and ask permission to enter the room.
- When an adult corrects a student for some fault, the student should perform the following actions:
 - Be quiet and listen until the adult is finished talking.
 - Answer all questions politely.
 - Do what the adult tells you to do immediately.
 - Wait until the adult is finished speaking and ask permission to speak.
 - Accept the adult’s decision by not arguing, making faces, or walking away when the adult is talking.

Conduct That Damages the School

Students: Conduct either inside or outside the school that is deemed detrimental to Resurrection Catholic School will result in discipline. This conduct includes but is not limited to misconduct, physical behavior, social media activities, internet posts and interaction with local and national media.

Parents: Education of a child is a partnership between parents and the school. If in the opinion of the school administration, that partnership is irreparably broken, parents may be required to withdraw their child(ren) from Resurrection Catholic School. This conduct includes but is not limited to physical behavior, social media activities, internet posts and interaction with local and national media.

Discipline Policy

“My son, do not disdain the discipline of the Lord or lose heart when reproved by Him; for whom the Lord loves, He disciplines; He scourges every son He acknowledges.” -Hebrews 12: 5-6

The behavior policy of Resurrection Catholic Middle/High School fosters the total Christian formation of each student through the nourishment of religious values, self-discipline, personal growth, and academic excellence. This goal is best realized through the cooperative effort of students, parents, teachers, and school administrators. **Students who finish the year without “recorded disciplinary actions” will be rewarded for their efforts.**

There are times and places in which the behavior of students affects Resurrection Catholic Middle/High School. In all such cases, student behavior is considered within the province of Resurrection Catholic Middle/High School. Parents are invited and expected to support Resurrection Catholic Middle/High School in the rigorous enforcement of this behavior policy since discipline is necessary to provide for the orderly growth and development of the individual and to ensure the health and safety of each student.

If students are present when wrongdoing is evident, they have the obligation to remove themselves immediately from the situation and report it to a faculty member; otherwise, they share in the consequences related to such behavior.

Students who engage in the type of misbehavior listed under the [DISCIPLINE CODE](#) will be placed on the appropriate step in the discipline ladder, with the consequences clearly listed.

The principal has the primary responsibility for the regulation of student behavior and is authorized and required to prescribe and promulgate rules of conduct, which shall be obligatory on all students. **The principal’s decisions are final.** The violation of the rules of conduct established at the school will subject the student to corrective measures or procedures. The corrective measures or procedures developed by the principal shall be made known to students and parents or persons *in loco parentis*.

MS Code Ann. § 37-7-301 allows schools to discipline for misconduct that takes place in the school, on school property, on the road to and from school, on any school related activity or event, or for conduct occurring on property other than school property or other than at a school related activity or event when such conduct, in the determination of the superintendent or principal, renders the offending person’s presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teachers of such class as a whole.

**RCS administrators seek the advice of parish priests when serious matters of student discipline, academics, or finances arise. In these cases, information pertinent to the matter may be discussed confidentially to determine the appropriate course of action. ([Handbook of Catholic School Policies, Governance No. 18](#)).

Areas of Special Concern

Abortion

The Church supports the sanctity of the life of the mother and the child. When it becomes public knowledge that a student has terminated a pregnancy through an abortion, the student shall be subject to immediate expulsion.

Academic Integrity

*“Lying lips are an abomination to the Lord,
But those who are truthful, his delight.” -Proverbs 12:22*

Cheating is morally wrong and is considered a major violation of the conduct code at Resurrection Catholic School. Cheating is both the improper acquisition as well as the improper distribution of information pertinent to a homework assignment, test, quiz, or exam. The following are common examples of **ACADEMIC DISHONESTY**:

- Open notebooks, texts, or other course related material during a test, quiz, or exam without the explicit permission of the teacher.
- Concealed notes (“cheat sheets” during a test, quiz, or exam.
- Communication with another student during a test, quiz, or exam without the explicit permission of the teacher.
- Copying homework assignments from other students.
- Downloading a research or term paper from the internet.
- Plagiarism of essays, term papers or research papers from outside materials that are not cited or insufficiently cited. (Plagiarism is defined as the appropriation or imitation of the language, idea, and thoughts of another author and representation of them as one’s own original work.)
- Any other promulgated action that the teacher and/or administration designate as academically dishonest.
- Multiple offenses may also result in the student’s permanent removal from RCS.

Any student who is caught cheating will receive a zero (0) on the assignment, test, quiz, or exam on which the cheating has occurred. He or she will also be referred to the administration, and the incident will be documented in the student’s discipline record. The student will furthermore be placed on the appropriate step of the discipline ladder. Multiple offences of cheating and/or plagiarism may also result in the student’s removal or denial of admittance into and/or participation in honor societies, campus ministry, athletics, and other school-sponsored organizations.

Cell Phones and Electronic Devices (Diocesan Governance No. 40)

Note: This policy is not limited to cellular phones but other communication phones as well such as Ipads/Ipods, laptops, watches, etcetera, that can be used for emailing, texting, or any other way not yet known by electronics, digital, either wireless or hardwired.

Diocesan schools prohibit the use of all personal telecommunications devices, including cellular phones, by its students during the school day. In general, the normal school day is defined as starting in the morning hours and ending in the afternoon hours or earlier depending on the bell schedule. This policy also applies to all field trips, retreats, and any other school activity at the discretion of the school administration.

Students shall be allowed to possess such devices as cell phones, but the following conditions must be strictly adhered to:

- 1. Cellular phones may be used only after the school day as defined above.**
- 2. Cell phones must be locked in the student’s locker.* If the student drives to school, the phone may be left in the car.**
- 3. Cell phones must be in the silent or off mode during school hours.**
- 4. Students are banned from carrying cellular devices on their persons and/or in their clothing apparel. Cell phones are not allowed in the student’s school bag, gym bag, or purse.**
- 5. Diocesan schools are not responsible for the loss of, damage to, or theft of cell phones or other electronic devices brought on campus.**

The following consequences will follow for any student violating the above conditions.

1. The first violation will result in a conduct detention. The cellular device will be confiscated and turned into the disciplinarian's office. It will be returned to the student after five (5) consecutive days from the infraction, provided that the student arrives in person to retrieve it.
2. A second violation will result in a one-day in school suspension. The cellular device will be confiscated and turned into the disciplinarian's office. It will be returned to the parent/guardian of the student after fifteen (15) consecutive days from the infraction, providing the parent and student arrive in person to retrieve it.
3. A third violation will result in a one (1) to three (3) day in-school-suspension. The cellular device will be confiscated and turned into the disciplinarian's office. It will be returned to the parent/guardian of the student after thirty (30) consecutive days from the infraction. The student will lose the right to bring and possess a cellular phone on the school campus for the remainder of the school year. The parent will be informed that the next violation will result in the student being asked to withdraw.
4. A fourth violation may result in the student being asked to withdraw from Resurrection Catholic Middle/High School or be subjected to expulsion.
5. Any student attending Catholic schools may be subject to discipline if cellular or other electronic devices are used in any potentially harmful manner. This applies to any person in which the harm seeks to injure someone's reputation outside of the school environment. This can occur when the matter is brought on campus and interrupts the learning/teaching environment. A more severe discipline ladder than the one stated above may apply to these infractions.

No student is allowed to access the internet at school through a personal electronic device.

**Where there are no lockers for students, principal must develop a plan for collection and dissemination of cellular phones for beginning and ending of the school day.*

Electronic Device use that is allowed by a teacher is subject to monitoring. Any violations of the Acceptable Use Policy Agreement will result in loss of the privilege and may result in disciplinary action. (See [ACCEPTABLE USE POLICY](#))

Child Abuse

State law requires school personnel to report suspected child abuse to the appropriate agency.

Damage to School Property

RCS strives to provide a safe and secure environment for learning to take place. Both campuses share property with our parishes and students are expected to accept responsibility for appropriate use of facilities.

Any act by students, family members, or guests that damages school or parish property will be addressed. Parents of the students involved are expected to correct the damage by repairing, repainting, cleaning, or replacing the damaged area.

Students who damage school or parish property (through acts of vandalism or carelessness) will face disciplinary action, if deemed necessary, in addition to making restitution. It is the responsibility of the entire RCS family to take pride in caring for our facilities and grounds.

Conduct That Damages the School

Students: Conduct either inside or outside the school that is deemed detrimental to Resurrection Catholic School will result in discipline. This conduct includes but is not limited to misconduct, physical behavior, social media activities, internet posts and interaction with local and national media.

Parents: Education of a child is a partnership between parents and the school. If in the opinion of the school administration, that partnership is irreparably broken, parents may be required to withdraw their child(ren) from Resurrection Catholic School. This conduct includes but is not limited to physical behavior, social media activities, internet posts and interaction with local and national media.

Drug/Alcohol/Tobacco Use

The Catechism of the Catholic Church states that, “The political community has a duty to honor family, to assist it, and to ensure especially . . . the protection of security and health, especially with respect to dangers like drugs, pornography, alcoholism, etc. . . . The use of drugs inflicts very grave damage on human health and life. Their use, except on strictly therapeutic grounds, is a grave offense. Clandestine production of and trafficking in drugs are scandalous practices. They constitute direct cooperation in evil, since they encourage people to practices gravely contrary to moral law.

Resurrection Catholic Middle/High School neither tolerates use, possession and/or distribution of alcohol, tobacco (including electronic cigarettes), or prescription/illegal drugs by students on campus or at any school related activity, nor allows a student judged to be under the influence of alcohol, tobacco, or drugs to attend school or school-related functions. Such activity is a severe violation of school policy, and the student will be placed on the discipline ladder and (if warranted) subject to expulsion.

As a condition of enrollment, all students enrolled in grades seven (7) through twelve (12) within the Diocese of Biloxi may be subjected to drug and alcohol screening to determine if a student is using drugs or alcohol. Aside from being illegal for minors to consume alcohol and the illegal nature of using drugs or prescription medications without or inconsistent with a prescription, it is recognized the use of such substances poses a health risk to students using the substances and poses a safety risk to students around them. Furthermore, it detracts from an atmosphere conducive to learning and undermines the school culture to bring pride and enthusiasm to the institution. Any use of drugs, improper use of prescription medications or the use of alcohol shall be considered drug abuse and a violation of this policy. Therefore, as a condition of enrollment, students and parent(s)/guardian(s) shall have consented to potential screening pursuant to the policy of the Diocese of Biloxi and the Department of Education.

The administrator of each school reserves the right to:

- Confront students if there is reasonable suspicion of possession or use of illegal or prescription drugs or alcohol.
- Search students’ lockers, personal belongings, cars and persons
- Use drug sniffing dogs on campus
- Require drug testing of students with the following policy, [Safety No. 3 ADDENDUM](#)

- Call upon the police for assistance.

Any evidence of possession with intent to sell and/or distribute or transfer of drugs and/or alcohol on the school grounds or at a school sponsored activity shall warrant suspension or possible expulsion. Additionally, any evidence of sale and/or distribution shall result in student(s) being reported to the local law enforcement agency and shall warrant suspension or possible expulsion.

Screening: At this time, there will be no random screening for drugs and alcohol within the Catholic Diocese of Biloxi. However, parents may voluntarily request a screening at any time and must contact the principal of the school. Parents must agree to the following:

- Screening will consist of hair analysis or saliva swab for drugs and breathalyzer for alcohol.
- Breathalyzer or urinalysis is at principal's discretion and can be done on or off site.
- Hair sample or saliva swab must be collected by school and sent to an approved local drug screening company.
- Results must be shared with only the principal of the school where child attends.
- Costs for voluntary screening must be borne by parents.

All parties must agree to the strictest of confidentiality and should sign an agreement to that effect.

Reasonable Suspicion Testing: In addition, a student will be required to submit to an immediate drug screening if:

- The student has been found with drugs on his/her person or in or among his/her property
- There is reasonable suspicion, which is defined as sufficient reasons or basis in fact to give rise to a reasonable belief that the student has drugs or alcohol in his/her system. Reasonable suspicion may be based upon, among other things:
 - Conduct that indicates the presence of drugs or alcohol in an individual's system, including affected behavior or speech, and/or body odors; and
 - Other behaviors that would indicate that an individual is in other than a sober and reliable state, free from the influence of drugs or alcohol.

Scope of Screening: Each school within the Diocese of Biloxi will utilize the services of an approved local drug screening company unless otherwise notified by the Diocesan Department of Education, screening will consist of a breathalyzer (for alcohol) and/or hair analysis (for drugs). These tests will include, but may not be limited to determination of the presence or the absence of alcohol, or drugs, including, but not limited to, methamphetamines, cocaine, opiates, phencyclidine, cannabinoids (marijuana and hashish) and prescription narcotics.

Consequences

1st positive result: The student shall

- Participate in a parent(s)/guardian(s) conference with the principal or principal designee.
- Reimburse the school for all costs relating to the positive result.
- Sign a conduct agreement for a prescribed period of time;
- Undergo assessment and comply with the recommendations made in connection therewith.
- Submit to regular testing for a prescribed period of time at the expense of the student and parent(s) guardian (s) and

- Submit to a drug test at the beginning of the following school year at the expense of the student and parent(s)/ guardian(s).

2nd positive result: The student shall be suspended and referred to the school’s Discipline Review Committee (“DRC”) for disciplinary action. The DRC has discretion to recommend dismissal or to consider alternative disciplinary measures which will include those items listed in the **1st positive result section above and additional steps** to ensure the student is receiving appropriate counseling and treatment.

3rd positive result: Student shall be dismissed from attending school.

Non-Punitive Nature of Policy:

No student will be penalized academically nor be banned from participating in extra-curricular activities for a first offense so long as the parent(s)/guardian(s) and student agree to the steps outlined under the **1st positive result** section above. A student may be penalized for a subsequent offense. In accordance with the foregoing, the results of drug and alcohol screenings pursuant to this policy are considered

confidential information and will be documented in a file separate from the student’s academic records unless required by state or federal law. Access to the results and files will be restricted to the following individuals:

- The student and parent(s)/guardian(s)
- The principal
- The principal’s designee
- Members of the DRC, if circumstances require such disclosure
- The superintendent
- The superintendent’s designee
- Members of the Diocesan Advisory Council, if circumstances require such disclosure
- The bishop of the Catholic Diocese of Biloxi
- The bishop’s designee(s)
- The diocesan attorney

Information regarding results of drug or alcohol screenings must be safeguarded and treated as confidential, and it shall not be disclosed to any third party, including, but not limited to criminal or juvenile authorities except in cases of legal compulsion by subpoena or other legal process or otherwise required by law.

Positive Test Results in Connection with School Events

The foregoing **Consequences for Positive Screening Results** and **Non-Punitive Nature of Policy** sections will apply to any student who tests positive in any reasonable suspicion drug screening. The foregoing sections will also apply to any test taken in connection with suspected use of drugs or alcohol at or during school, or in connection with any school activity or event. Any student who is found in possession of drugs or alcohol either on their person or among their property whether or not they test positive shall be subject to the same progressive discipline identified above. The foregoing sections will not apply in the case where there is evidence of the student selling and/or distributing drugs or prescription medications or evidence of intent to sell and/or distribute.

Refusal or Improper Attempts to Avoid Detection:

Any student who is selected for testing on the basis of reasonable suspicion who refuses or who attempts to avoid detection for drug use through the use of a masking agent, adulteration of a sample, or other act to avoid detection (including missing school for an extended period of time without providing a documented valid excuse), shall

- Be deemed to have tested positive for purposes of the foregoing **Consequences for Positive Drug Screening** section and may
- Be subject to additional discipline, including possible dismissal from the school. In the case of a student who has a condition whether there is no hair growth, complete hair loss or if a student has a completely shaven body, the school may obtain samples using alternative methods, including, saliva, urine or blood.

Communicative Actions through Social Media or Other Methods

All screening results (whether positive, negative or a refusal) shall be treated as confidential and shall only be made known to and/or accessed by those identified in this policy. Any violation of this policy by an individual using social media or other forms of communication will be dealt with as a breach of this provision and any such person shall be subject to discipline, including suspension and/or dismissal from the school (if a student) or suspension or termination (if a staff member). Confidentiality must be adhered to even by the student. Any person, including the student being screened, who is found to be using social media or other forms of communication regarding screening results or rumors regarding test results will be deemed to be in violation of this policy and subject to discipline.

Policy May be Superseded by Prior Knowledge or Criminal Charges

This policy is intended to bring awareness to parent(s)/guardian(s) and the policy recognizes that a student's parent(s)/guardian(s) may not be aware that a student is engaging in the use of drugs and/or alcohol. As such, this policy is intended to give parent(s)/guardian(s) the opportunity to work with the student and to take corrective action before the student's academic or attendance record is impacted by drug or alcohol use. If it is learned that parent(s)/guardian(s) knew of prior incidents of drug or alcohol use, then such knowledge will be considered in determining the progressive steps of this policy.

If criminal charges are brought against the student relating to the possession or use of drugs, prescription medications or alcohol, then this policy will supersede **Governance 12** entitled **Governances, Criminal Charges – Student**. However, if criminal charges are brought against a student relating to the sale of drugs or prescription medications, then this policy will be superseded by **Governance 12** entitled **Governances, Criminal Charges – Student**.

Firearms/ Weapons Policy

Possession of pistols, firearms or other weapons in any other form on school premises or at school sponsored activities by persons other than duly authorized law enforcement officials is prohibited. Any student found in possession of any form of weapon, real or fake, will be removed from the school premises or school function. The weapon will be confiscated. For cases involving pistols and firearms, the police will be called and the student shall be subject to immediate expulsion. For cases involving other forms of weapons, the police may be involved and the student may be subject to suspension or expulsion. **Firearms** are defined as any type of weapon that is designated to (or may readily be converted to) expel a projectile by the action of an explosive.

Internet and Computer Usage (ACCEPTABLE USE POLICY)

All students who use computers provided by Resurrection Catholic School should follow the following acceptable use policy:

- Respect the integrity of the system.
- Use computers and the facilities in an appropriate, ethical and lawful manner.
- Abide by the proprietary rights of software, upholding applicable copyright laws.
- Act within the framework of Catholic tradition, demonstrating honesty, integrity and respect for the rights and privacy of others.
- Respect the governing policies of alternate organizations when accessing remote sites via Resurrection Catholic School computers.

Marriage/Co-habitation

Married students and students that are in co-habitation relationships are not permitted to attend classes at Resurrection Catholic Middle/High School. It is the belief of Resurrection Catholic Middle/High School that marriage is a sacrament that establishes a covenant relationship between two individuals. We support the total commitment of married individuals to one another. However, the nurturing of students' marriage vows through personal, spiritual, social, and employment activities, makes marriage inconsistent with the mission of Resurrection Catholic Middle/High School. Therefore, such students are not allowed to enroll at RCS or be in regular attendance.

Premarital Sex and Pregnancy

The schools in the Catholic Diocese of Biloxi, as extensions of the Catholic Church and in full support of its position on the sanctity of life, Resurrection Catholic Middle/High School expects and encourages its students to live in accordance with the virtues of chastity and social responsibility. All students are treated with love and compassion. When a student, male or female, fails to practice abstinence, he/she violates our Christian moral code and the expectation of the faith community and may thereby become subject to disciplinary action as provided by local school policies. Additionally, the lack of abstinence may lead to pregnancy and possible health problems.

The policy of Resurrection Catholic Middle/High School takes into consideration the student, the unborn child, the other students, the school community as a whole and the community at large.

Resurrection Catholic Middle/High School, as an extension of the Catholic Church, has the following policy with regard to the student who engages in premarital sex resulting in a pregnancy and offers three options with accompanying responsibilities:

Enrollment Options:

- Withdraw from Resurrection Catholic Middle/High School, subject to normal re-admission policies.
- Remain enrolled as a student and engage in a homebound program provided by RCMHS until such time as the baby is born, the student has recuperated and her familial relationships are established.
- Continue with regular school attendance as long as possible, subject to all conditions and requirements of the RCMHS Student/Parent Handbook, including adherence to the uniform policy. If home bound study is advised by the attending physician, the student will engage in the home bound program provided by RCMHS, subject to the same conditions listed above.

Any student found to have engaged in illicit sexual actions will not be allowed to publicly represent RCMHS, hold any leadership positions with RCMHS clubs, organizations or activities or participate publicly in those clubs, organizations or activities for one or two school semester(s) to be determined at the discretion of the principal after meeting with the student and his/her parent(s)/guardian(s). There are some leadership positions (such as Class Officer, Campus Ministry, Homecoming Court or others at the discretion of the Administration) for which the student may be ineligible for the remainder of his/her high school tenure.

Student Responsibilities:

If the female student chooses to remain enrolled in Resurrection Catholic Middle/High School, the student and the parent(s)/guardian(s) must fulfill the following requirements. Failure to do so may result in expulsion.

- For the health of the mother and the child, notify the principal once pregnancy is determined.
- Meet with the principal immediately.
- Participate in RCMHS sponsored counseling sessions as determined by the principal.
- Participate in psychological support counseling program approved by Catholic Social Services in the Diocese of Biloxi during the period of the student's pregnancy and thereafter as long as determined by the professional counselor. Such counseling will be at the student/parents' expense. The student must provide verification to the principal from the professional counselor that she is participating in the program.
- Continue to reside in the home of her parent(s)/guardian(s) or in an accepted residential care facility.

If the male student chooses to remain enrolled in Resurrection Catholic School, the student and the parent(s)/guardian(s) must fulfill the following requirements. Failure to do so may result in expulsion.

- Participate in Resurrection Catholic School sponsored counseling sessions as determined by the principal.
- Meet with the principal immediately.
- Participate in a psychological support counseling program approved by Catholic Social Services in the Diocese of Biloxi during the period of the student's pregnancy and thereafter as long as determined by the professional counselor. Such counseling will be at the student/parents' expense. The student must provide verification to the principal from the professional counselor that he is participating in the program.
- Continue to reside in the home of his parent(s)/guardian(s) or in an accepted residential care facility.

Refusal of students and parents to meet the principal or engage in routine counseling may result in expulsion. Students are subject to immediate expulsion when determined to have engaged in premarital sex a second time while enrolled at Resurrection Catholic Middle/High School.

Social Media & Cyberbullying

Social networking websites have become very popular with today's youth. Since the content of what is put on these sites often refers to the student's school, it reflects Resurrection Catholic School and is therefore the business of the school. As such, the school has the

right to take appropriate action. The administration will act according to policy when information from one of these sites is brought to its attention. Parents are encouraged to monitor what their students are placing on these websites.

Cyberbullying is defined as the use of electronic information and communication devices to willfully and repeatedly harm either a person or persons through the medium of electronic text, photos, or videos.

Examples of this behavior include but are not limited to:

- Sending false, cruel, vicious messages.
- Creating websites that have stories, cartoons, pictures, and jokes ridiculing others.
- Breaking into an email account and sending vicious or embarrassing material to others.
- Engaging someone in electronic communication, tricking that person into revealing sensitive personal information and forwarding that information to others.
- Posting pictures of another student or faculty member without their permission.

Bullying of this nature creates a hostile, disruptive environment on the school campus and is a violation of a student's right to be safe and secure. Cyberbullying and harassment will not be tolerated. Actions deliberately threatening, harassing, and intimidating an individual or group of individuals placing an individual in reasonable fear or harm or damaging the individual's property; or disrupting the orderly operation of the school will not be tolerated.

The online activities and technologies often used by students engaged in cyberbullying include but are not limited to social networking sites, chat rooms and discussion groups, instant messaging, text messaging, computers, cell phones and personal digital devices, digital cameras, cell phone cameras and web cams. As new technologies emerge, they too may be included with the above forms electronic communication.

The use of digital media which is intended to, or has the effect of, embarrassing, harassing, disturbing or otherwise harming another individual will not be tolerated. "Digital media" includes social networking sites (Facebook, Twitter, Instagram, etc.), text messaging, and other related forms of electronic communication. Students who take sides in cyberbullying cases will be considered participants and investigated for misconduct. An example of taking sides is hitting the thumbs-up "like" button on Facebook in reaction to an inappropriate remark, but other ways of being a participant may exist and will be investigated.

Driving Privileges & Parking

*"One who is faithful in very little, is also faithful in much,
and one who is dishonest in very little is also dishonest in much." -Luke 16:10*

Students who drive to school are expected to observe city ordinances and operate their cars in a safe and orderly fashion or they risk losing the privilege of parking on campus.

Students are to park only in the gym parking lot. The front row (closest to the street) and the side parking next to the gym is designated for seniors only. Cars parked illegally or blocking a fire exit could be subject to towing by the Pascagoula Police Department. The school is not responsible for damage to cars in the parking lot.

Students may not go to their cars during the school day without permission from the administration. Doing so may result in a loss of driving privileges.

Once a student arrives on campus, he or she may not leave without properly checking out in the front office. All vehicles parked on campus are subject to the search and seizure policy.

Emergency School Closings

In the event of inclement weather or an emergency, Resurrection Catholic School will abide by the decision made for all Catholic schools in the area. Students/parents/legal guardians should listen to TV (WLOX – TV, channel 2) or the radio (WABB – 97.5 FM) for the announcement.

Faculty Mailboxes and Copier Room

Students are not permitted to go to the faculty mailboxes or to use the copy machine or office computers at any time.

Faculty Lounge

The faculty lounge is for the exclusive use of the RCS school staff only. All equipment, including telephone, computers, refrigerator, etc. is for the exclusive use of the RCS staff. Students are not allowed to use the faculty room for any reason.

Lockers

A locker is provided for each student at the beginning of the year, especially for convenience. A student who wishes to provide his/her own lock is free to do so. However, the school reserves the right to remove a student's lock, with just cause. If a locker breaks or refuses to open, the student should report this to the office and it will be repaired.

Since the lockers are the property of the school, the school reserves the right to inspect or search any locker at any time without permission. Any illegal substance, stolen items, or items prohibited by the school shall be confiscated, and the student issued that locker will be responsible for its contents.

Students who open another student's locker will be subject to disciplinary action. Do not take anything out of or put anything into a locker that is not assigned to you. Do not deface the lockers.

Lost and Found

Students should put their names on clothing for identification. Lost items should be reported to the office as early as possible. Articles that are found on campus should be brought to the office. Students are encouraged to check the lost and found for missing articles. Articles not claimed by the end of the term will be donated to charity. There is a Lost & Found in the front office, and a Lost & Found in Joseph Hall.

Medication

The school staff is not professionally trained or equipped to administer medicine/drugs to students. However, in cases of chronic illness, the school secretary will dispense prescription medication when the parent and/or doctor provide written directions. All medication should be turned into the nurse/office. In pre-measured, labeled doses. Non-prescription medicines, such as aspirin, Tylenol etc. will be administered by school nurse/secretary only when a medication card is completed by parent or a written

authorization is given by a medical doctor. If no medication card is on file and/or written authorization by a medical doctor is not provided, no medicine will be given until a parent is contacted. If no written authorization is obtained, the parent/guardian may come to school and administer the medicine.

Messages to Students

A student will not be called to the phone. The school office will record messages to give to the students in between classes. In case of sickness in the home or some emergency, school personnel will deliver the message.

Posters and Signs

Posters and signs may be displayed only with the approval of the principal. Students may not deface other students' posters. All posters should be in good taste. Posters should be removed by the students who placed them after the activity is concluded. Participants should remove tape and residue and clean or repair surfaces.

PowerSchool

All students and parents will be given access to live attendance, grades, fees, and assignment data through PowerSchool. Passwords and log in information will be provided at the beginning of the school year. If you lose the information, please contact the office for the re-issuance of that information.

Religious Duties

Since parents have conferred life on their child, they have the most solemn obligation to educate their child, and live as their example. Parents should clearly recognize how vital a true Christian family is for the life and development of each person. The Christian life can be strengthened by the daily practice of morning and evening prayers and by going to church as a family on Sunday.

By registering your child at Resurrection, you have assumed the obligation of cooperating with the school's religious program. Failure to cooperate creates conflict for each child and places him/her in a frustrating situation.

The students at RCS middle/high school campus attend Mass as a school each Wednesday. **This does not relieve the Catholic student's obligation to attend Sunday Mass.** All the students assemble in the cafeteria each Monday morning and pray together, salute the flag, and sing a patriotic song. Parents of Catholic students above second grade who have not yet prepared for or who have not received the sacraments of Eucharist or Reconciliation should notify the school office the first week of school. Our Director of Campus Ministry will facilitate their preparation during the second semester.

In order to be eligible for participation in off campus activities, athletics, campus clubs, honor societies and organizations, or to run for an office for the upcoming school year, the student must meet the criteria below:

- No more than five (5) unexcused absences per semester.
- No “U” and no more than one “N”; and no OSS suspension for the current and previous semester.
- Failure of two or more classes at the end of a nine week period will eliminate the student from participation in the above listed student activities for the next grading period.

- Eligibility for the next school year’s events requires the student is pre-registered and all fees are current.

Sponsors will check eligibility with the school administration before any selection process occurs. Students violating these criteria after completing the selection process are subject to being removed from participation. ****Some organizations (National Honor Society, Student Council, and Campus Ministry) have stricter guidelines for membership eligibility. Check with the sponsors regarding the requirements.**

Eligibility to Participate in Athletics

Interscholastic athletics is a voluntary program. Students are not obligated to participate and participation is not required for graduation. Thus, competition in high school athletics is a privilege and not a right. Accompanying this privilege is the responsibility to conform to standards established for the school athletic program. This privilege may be revoked if the athlete fails or refuses to comply with the rules.

To fully participate in athletics, a student must have a passing grade (70 or higher) in each class.

Eligibility will be determined at the end of each 9-week grading period. A student who has any grade lower than 70 will be put on Academic Watch. He/She will have 10 academic days to improve his/her grades. At that time, all grades must be at least a (70) for the student to be removed from Academic Watch. He/She will be allowed to practice and play but must have a plan with the coach and guidance counselor as to how grades will be improved. Any student that does not improve his/her grades at that time will be placed on Full Academic Probation. A student who is on full probation (grade lower than

70) will be allowed to try-out for a team and practice, but cannot compete in contests. The student will not be allowed to travel with the team to away contests. Parents of the involved student are encouraged to communicate with the coach and teacher(s) to develop a plan for that student's academic improvement.

Eligibility in the fall will be determined by the final cumulative grades in each subject from the previous school year. Eligibility in the spring will be determined by the semester final cumulative grades in each subject from the previous semester.

The goal of our policy is to keep all student grades high, not to punish. Academics are the number one priority at Resurrection Catholic School. Sports and other school-related, after-school activities are a privilege and a reward for academic success.

Other Requirements

Each student athlete must submit the following items before participation is granted:

- Annual physical examination
- Pre-participation and consent form from parent/guardian
- Completion of MHSAA's Star Sportsmanship online course
- \$220 Annual Activity fee for participation in one or more sports

Extra-Scholastic Sports Participation

Membership on or participating in extra-scholastic sports (teams outside the school athletic program) is discouraged for members of the school teams in season. The scholastic and school athletic demands on a Resurrection athlete's time are great; additional outside activities serve only to detract from a student's physical and academic development. Students should be careful not to over-extend themselves in their daily activities.

If a student wishes to compete in outside play, he/she must first get written permission of the junior/high school coach and headmaster/athletic director. The MHSAA recommends that outside play, such as church league and recreational play in other sports should have the cooperation of the coach and school, as long as it does not conflict with practice or games being played during the high school season.

In-Season Independent/Club Team Sport Participation

School personnel cannot coach an independent team during the school year. School personnel are to include paraprofessional coaches, managers or any volunteer who works with students of Resurrection athletics.

60% Rule

Resurrection follows the 60% rule as stated in the MHSAA rule book. This rule states that no outside team can be made up of more than 60% of the number of positions in that sport from one school. The rule will be interpreted as three players for basketball, five for baseball or softball, and seven for soccer. If a student attends Resurrection Catholic School, and is found to be on a team with more than 60% of its members from Resurrection, all team members will be declared ineligible for participation for all sports for the remainder of the school year. This rule does not apply to summer league play. Independent teams may participate in summer league post-season play through August.

V. Practices

Practices, games, competitions, meetings or organized gatherings will not be permitted on Sundays. Considerations are made for Wednesday night church activities such as CYO. Practices will be shortened to accommodate these church activities.

Practices may be scheduled for holiday periods for in-season teams for weekdays or Saturdays. Consideration must be made for athletes' family commitments; no athlete will be penalized for absence during these practices due to family activities. There shall be no practices or games scheduled on Christmas Day, New Year's Day, Ash Wednesday, Good Friday, Easter, or other religious holidays observed by the school. Athletes may be excused from practices for other religious holidays as determined by their faith.

To participate in athletics at Resurrection a student must meet the following criteria at the end of each grading period. Coaches are responsible for checking report card data for each grading period and also prior to holding team tryouts. Coaches should discuss findings with the principal.

In addition to the requirements mentioned above, student athletes must:

- Complete each semester with an overall 2.0 GPA
- Student must have successfully completed previous athletic seasons attempted. (If a student walks off field/court quitting the team or is asked to leave a team due to inappropriate conduct) This student is not eligible for athletics for the remainder of the school year.
- Students may participate in more than one sport per season but must have permission from the Athletic Director, Coaches, and Parents. If you are participating in overlapping sports, you must give precedence to the first team's games and practices. "District" games take precedence over non-district games; games take precedence over practices.

Dance Policies

Each student at Resurrection Catholic School is a member of many groups: family, school, peer group, church, human race, etc. One of Resurrection's responsibilities is to help each student learn to function well within these groups through socialization. To help maximize each student's abilities within his/her social group, various school organizations and classes sponsor dances during the school year.

All dances have a "sign in/sign out" procedure. This list, showing the time of arrival and departure, is available to parents who contact the principal the next school day.

- Students will be allowed one non-student guest of the opposite sex for which they will be held accountable. NO GUEST MAY BE 21 years or older.
- Once a student leaves a dance, he/she and his/her date will not be allowed to return, and should leave campus.
- Anyone found to be in possession of or 'under the influence' of drugs or alcohol will be detained until a parent or guardian can be contacted to pick him/her up.
- Anyone exhibiting inappropriate behavior (excessive loudness, rudeness, fighting, etc.) will be asked to leave and a parent will be called.
- Appropriate dress is required of all attending a dance. Attire should be modest and in good taste. Any student wearing inappropriate clothing (as determined by faculty chaperones) will be asked to leave.
- Freshmen or younger students may not attend prom.

- The principal may establish other regulations.

Responsibilities of Hosting Dances

- Payment of all expenses
- Setup and cleanup
- Sufficient chaperones (minimum of six parents and two faculty members) which are responsible for student behavior at the dance and outside on the school grounds until all students have left the school property.
- Hiring security (not parents)
- Supplying refreshments
- Having money available for change
- Compensation for any damages that occur and clean up, if needed
- Using appropriate music (no explicit or offensive lyrics which are inappropriate in a Catholic school setting)
- Properly accounting for all money collected for the event on a school collection form and deposit slip.

Student Telephone

There is a student telephone available for emergency use only. The student phone is located by the front main office and permission from the administration is required. Student users must sign and date the log near the phone when they use it. If it is determined that a student used a cell phone to contact a parent, that phone will be confiscated.

Transfer Students

All students who transfer into Resurrection Catholic School enter with a 45 day probationary period. A valid reason must exist for the transfer of a student here. In accordance with the school's general [ADMISSIONS POLICIES](#), students who are asked to leave a previous school for non-academic reasons are generally not considered for admission to Resurrection Catholic School.

Resurrection Catholic School may not accept transfer seniors unless they move into the area just prior to requesting admission. The principal may make exception if the student has attended a Catholic High School and/or is recommended by the parish priest.

Transfer Procedures:

- Parents must complete an application for admission and provide a copy of prospective student's transcript and/or current report card demonstrating the student's academic record.
- The Principal will interview the parent(s) or guardian(s) and the student in order to obtain a profile of the student's academic, disciplinary, and behavioral history.
- The student and guardians must give permission for the administration to contact the student's previous school.
- Upon review of the student's records and after the interview, the parent(s) or guardian(s) and student are notified of the school's decision concerning the transfer application. This decision shall be based on the best interests of both the prospective transfer student and Resurrection Catholic School.
- Drug testing may be used as a condition for allowing a student to enroll at RCS.
- If the transfer student has more than three (3) office referrals for discipline or behavioral conduct or commits any major disciplinary violation during the 45 day probationary period, then the transfer student's acceptance/enrollment in RCS may be revoked.

- Students who withdraw from RCS and transfer to another (local) school may not be eligible for re-admission to RCS for at least one full semester.
- The student and/or parent(s) or guardian(s) requesting re-admission must provide documentation supporting his/her good academic standing and must satisfactorily complete the transfer procedure described above.

Visitors

All visitors are expected to report to the office as soon as they enter the school. Visitors will be issued a pass allowing them to visit the school. No visitor should be on campus without a pass issued by the office. Visits are limited to one hour. The pass does not afford all-day long visiting.

Visiting students must have permission from the principal at least one day prior to the visit. Students who wish to ‘shadow’ another student must have the principal’s approval before the visit.

Seniors are not allowed ‘shadows’ by other seniors.

Withdrawal

If a student must withdraw from Resurrection Catholic School, he/she and a parent/guardian must meet with the principal in order to begin the process. After the meeting, the faculty has at least 24 hours to prepare grades and determine clearance for the student. A final check out appointment will be required before the student is released. **NO REFUNDS ARE ALLOWED FOR WITHDRAWALS.**

ALL ACCOUNTS MUST BE PAID BEFORE ANY STUDENT INFORMATION WILL BE RELEASED.

Extra weight courses will only be given to transfer students for extra weight courses we offer in order to calculate a fair GPA.

In case of a tie in GPA, the Valedictorian and Salutatorian will be determined by using a 100 point scale. A Candidate Form must then be submitted to the Chapter Advisor. A Candidate Form that is not submitted by the deadline will not be considered.

Appendix C: Service Credit Hours

“Come, you who are blessed of My Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry, and you gave Me something to eat; I was thirsty, and you gave Me something to drink; I was a stranger, and you invited Me in; naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me... Truly I say to you, to the extent that you did it to one of these brothers of Mine, even the least of them, you did it to Me.” -Matthew 25:34-40

In the Gospels we read that Jesus did not come to be served but to serve. Service is one of the pillars upon which Resurrection Catholic High School is built. Blessed Mother Teresa of Calcutta said, “Let us touch the dying, the

poor, the lonely and the unwanted according to the graces we have received and let us not be ashamed or slow to do the humble work.”

Service hours are tools that are employed to strengthen students’ sense of stewardship and civic engagement, as well as assist them in meeting educational, social, and spiritual goals. Service hours encourage the development of our students’ social conscience by placing them in direct contact with various populations of people in need. By empowering students to bring hope to others, they will work with people who are in need such as the elderly and economically poor. This broad exposure helps clarify our students’ unique gifts, talents, and interests.

RCS Students must earn Service Credit each year for a grade in their Religion classes.

Grade	Hours
7 th & 8 th Grades	20 hours
9 th & 10 th Grades	25 hours
11 th & 12 th Grades	30 hours

Religious Studies teachers will specify how the hours are to be divided throughout the year for grading purposes. **Half of students’ service hours must be performed before Christmas Break. The other half is due by the end of the school year.**

Routine family responsibilities such as chores or babysitting; work at school that is part of the student’s obligation as a student; youth group or club activities that are considered part of the student’s obligation as a member of that group ARE NOT CONSIDERED FOR PART OF THE SERVICE CREDIT HOURS.

Students who earn DOUBLE the required credits will be recognized on Awards night. Seniors who earn double the required credits will also be recognized on Senior Awards night.

Examples of acceptable community service hours:

- Any activity for a non-profit organization
