Parents,

On behalf of the faculty and staff, we would like to thank each of you for selecting Resurrection Catholic School to be charged with the responsibility of educating your child spiritually, intellectually, socially, and physically. Here at RCS, we are proud of our traditions, Catholic identity, academics, and outstanding reputation. We are looking forward to continuing our commitment to provide an outstanding education for your child for the upcoming 2017-2018 school year.

Tuition rates and fees have been set and approved for the 2017-2018 school year. Our goal is to keep any tuition increases as reasonable as possible. We carefully balance the financial demands on our families with the goal of providing an exceptional quality education for your children.

While addressing the rising costs of salaries and benefits for our faculty and staff along with other rises in fixed expenses, we strive to keep increases to a minimum through diligent financial stewardship and control of expenses. We will continue to work vigorously to provide you and your student with the exceptional education you expect and deserve for your investment in Resurrection Catholic School.

The tuition increase for this coming school year is between \$12 per month and \$16.58 per month per child (less multiple student discounts). This increase was voted on and approved by the Advisory Council specifically to continue to support our valuable teaching staff as well as guarantee the ability to grow our academic programs.

There are opportunities to reduce your tuition costs by using our Refer a Student program. This program will enable you to lower your tuition \$300 per enrolled student referred to RCS for the upcoming school year.

Please refer to the attached Tuition Rate sheet for exact tuition and fee figures. Again, we want to thank you for entrusting us with this awesome task of educating your child.

Cheerfully in Christ,
