

Resurrection Catholic Elementary School 4th Grade Summer Reading Assignment

Readers become and stay good readers by READING! Hopefully, your child will be reading a lot this summer. Consider participating in the Summer Reading at the local libraries.

Students are required to read at least two books this summer. Your child will take an AR test for the two books the first or second day of school.

After your child completes reading the books of their choice, please have them decorate a POSTER BOARD representing the book and be prepared to share it with the class the second week of school. **If you choose**, you may make this your child's Reading Fair Project, **if you put it on a trifold board, it meets all the criteria**, and it is a fiction book. It is totally up to you.

If you want to find the AR level for other books this summer, please visit www.arbookfind.com

We are looking forward to an exciting school year. See you in August.

Mrs. Lynch-Dart

Please choose at least two books from this list. Make sure your child hasn't already read the books they choose, so they will be able to test on these books too.
