

Dear Parents,

We are pleased to announce that we are making some changes to our school uniform program starting this upcoming school year (2020-2021). A school uniform program should be one that is affordable and easy for parents, as well as portray a high standard of dress in the classroom and the community. With these changes, we aim to do just that. The changes are not a complete overhaul of our uniform policy but are updates to both some styles/colors of items, and the way in which parents and students will purchase uniforms moving forward.

We will be keeping both of our school uniform stores (elementary store and high school store) to continue to sell many items that you have always purchased. Those items will include all outerwear including fleece, cardigans, etc. for both campuses. In addition, the high school store campus store will also continue to sell the blazers, ties and PE uniforms. You can continue to purchase these items just like you have in the past.

However, we have selected a new school uniform vendor to supply the other uniform items, which are the “core” pieces to our uniform policy. The new vendor is Uniforms & Accessories, Inc. and they are based out of Meridian, MS. We will no longer be using Zoghby’s Uniforms for any of our uniform items. Items that will be purchased directly from the new vendor are as follows:

- Everyday polo shirts
- Jr. High/High school Mass shirts/blouses
- Boys shorts and pants
- Girls plaid shorts, plaid jumpers, and plaid kilts
- Elementary girls pants
- Elementary Peter Pan collar blouse (worn underneath the jumper).

In addition, our PreK3 and PreK4 classes will begin wearing uniforms in the Fall. Studies have proven that requiring PreK3 and PreK4 uniforms will result in the following:

- Less expense for parents after the initial start-up cost
- More appropriate clothing for active children that encourages independence (elastic waists, no buttons on shorts or pants, etc.)
- Easier morning routines for parents and children (Children KNOW what they will wear to school each day).
- Establishes the continuum of the “school community” beginning in PreK

The most significant change is that our on-campus uniform stores will not sell the polos, boys or girls solid bottoms, and mass shirts any longer. In addition, there are some changes to some of the styles and or colors for some items. Those are listed below:

1. The polo shirt color is changing from white to light blue (for all grades).
2. The elementary girls navy short is being phased out and replaced with a plaid short (PreK-6th grades).
3. The plaid jumper will be available in the round neck style only and will be only for PreK-3rd grades. A white Peter Pan blouse will be worn underneath the jumper.
4. The plaid kilt (which is currently also worn at the high school campus) will be available for elementary girls 4th – 6th grade, as well. The plaid skirt option will be phased out.

5. The boys shorts and pants will be flat front, instead of the pleated front.

These changes should help simplify our uniform policy and puts our students in more age appropriate styles.

About Uniforms & Accessories, Inc.

Our new vendor, Uniforms & Accessories, has been in the retail clothing business for 45 years, and has been in the school uniform business for the past 15. They are a family owned and operated business that is committed to providing excellent customer service and support.

They are well known for operating “mobile store” sales, which is when they set-up a mobile store on site at schools that they service and sell directly to you at the school. Due to the pandemic and timing during this summer, they will not be doing that for this school year but should begin offering that in the summer of 2021. For the upcoming 2020-2021 school year, the uniforms can be purchased through their website and shipped directly to you. Sizing samples of all plaids, polos, shorts, and pants can be found in the on campus uniform rooms to help with any sizing questions that you may have.

You may start ordering uniforms from them immediately, but please note that because of the pandemic, there might be some items that could be delayed until later in the summer. Please contact them directly to inquire about which items will be later arriving. Their ordering and contact information is found below.

I think our students and families will be very satisfied with these changes. Uniforms & Accessories is an excellent Mississippi-based, family owned and operated company that is well known for their excellent customer service and high quality products. In addition, our families will appreciate the ease of purchasing uniforms online. Remember, this coming academic year (2020-2021) will be a “transition” year. This means that students may wear their current uniforms and purchase from Uniforms & Accessories, Inc. Please do not purchase from Zoghby’s in the future as they are no longer our uniform provider. The Uniforms & Accessories, Inc. website is up and running with Resurrection Catholic School uniforms if families would like to get a jumpstart on ordering for the 2020-2021 school year. Please feel free to call RCS if you have any questions.

Peace and Blessings,

Kristal Kennedy Sisson

Resurrection Catholic School Principal
