

November 5, 2020

Dear Resurrection Families,

We are excited to announce that beginning October 1, 2020, Resurrection Catholic School will participate in the Extended Summer Food Service program. The Extended Summer Food Service program was approved by the USDA in response to the COVID-19 pandemic. The program is expected to end May 2021. **As a result of qualifying for this program, ALL of our students may eat lunch for free until the end of the school year.** This program is not based on family income. The program is designed to help ALL families. We are so grateful to Ms. Angie and Ms. Haley, our Child Nutrition Supervisors/ Managers, for ensuring that our students and families at Resurrection receive this opportunity. **This program will not only provide free food for all of our students, but it also provides income for every meal served in our cafeteria.** We hope that each of our families takes advantage of this wonderful opportunity to save money and help our cafeteria!

This program only covers breakfast trays and lunch trays. Any other items will be charged to your student's account. Please continue to send money for these non-covered items.

Thank you for your support, and please let Mrs. Haley and Mrs. Angie know how much we appreciate them! We are blessed at RCS with wonderful cafeteria managers and staffs.

Many Blessings,

Kristal Kennedy Sisson  
Principal, Resurrection Catholic Middle/High School

Sister Marilyn Springs  
Principal, Resurrection Catholic Elementary School

**\*This institution is an equal opportunity provider.**
