

Elizabeth Mitchell/Merle Ivy Scholarships Alpha Delta Kappa, Tau Chapter

January 28, 2021

Dear Counselors,

Enclosed is the application form for the Elizabeth Mitchell/Merle Ivy Scholarships, awarded annually by Tau Chapter of Alpha Delta Kappa, a sorority of education professionals. Tau Chapter will award two (2) \$500 scholarships which are one-time awards and are granted to honor two outstanding educators who each left a lasting mark on the Pascagoula-Gautier School District and its students.

Elizabeth Mitchell taught mathematics and physics to three generations of area students. Merle Ivy, a teacher, principal and district administrator, was instrumental in the creation of the school district's special education program.

Any student who is a graduating high school senior in Jackson County School District, Moss Point School District, Pascagoula-Gautier School District, Resurrection High School or a community college student may apply. The applicant should have a grade point average and recommendations indicating a commitment to learning in a college/university. Financial need should be indicated by the applicant who has a need, but this is not a requirement to receive a scholarship. The applicant's choice of field of study is not specified for this scholarship; however, extra consideration will be given to applicants who plan to major in an area of education with plans to become a teacher.

You may make as many copies of the application as your school needs. Completed applications with all attachments must be mailed to Sara J. Maghan, 1508 Cedar Point Road, Gautier, MS 39553, and **MUST be postmarked no later than Tuesday, March 9, 2021.**

Thank you for your cooperation. If you have questions, please contact me at sjjmaghan@gmail.com.

Sincerely,

Sara J. Maghan
