

Resurrection Catholic School will be participating in the USDA's National School Lunch Program and National Breakfast Program for school year 2024-2025. According to the USDA, this option maintains the nutrition standards of the school meal programs- including a strong emphasis on providing fruits and vegetables, milk, whole grains, and sensible calorie levels. This option also provides flexibility for schools to further customize their meal service design to fit their local needs.

Nutrition is a cornerstone of learning and Resurrection Catholic School is proud to participate in this program to ensure the nutritional needs of every child are fulfilled; enabling our student to attain their greatest potential.

This Institution is an equal opportunity provider.
